SPECIAL TOWN MEETING

MILLIS, MASSACHUSETTS, MONDAY, MARCH 10, 1986

A Special Town Meeting of the Town of Millis, Massachusetts was held in the George C. Roy auditorium of the Middle-Senior High School on Monday, March 10, 1986.

The Town Warrant calling this business meeting was signed by Selectmen Lawrence P. McCarthy, Hindy Rosenfeld and Larry E. Schnicker, and was posted on February 14, 1986 by Michael H. Mushnick, Constable, in accordance with the By-laws of the Town of Millis.

Voting List Inspectors:

Madelene Thumith
Rose Robinson
Ingrid Elofson
Marion Ingraham

Tellers Appointed and Sworn in by the Moderator:

E. Peter Bosse
Dennis Davidson
Robert Hammond
Russell Whittaker

At 7:49 p.m. the Moderator asked the Tellers to take a count of the voters present. The count showed 179 voters present. The quorum requirement being met the Moderator called the meeting to order at 7:52 p.m.

MOTION made by Charles Levine, Chairman of the Finance Committee, that the reading of the Warrant and return of service thereof be omitted.

VOTED that the reading of the Warrant and return of service thereof be omitted.

MOTION made by Charles Levine that the Moderator be granted unanimous consent to omit the reading of the articles and to refer to them by number and subject matter.

VOTED that the Moderator be granted unanimous consent to omit the reading of the articles and to refer to them by number and subject matter.

Article 1. To see if the Town will vote to transfer a sum of money from surplus revenue or other available funds to meet the additional expenses of the current fiscal year not sufficiently funded under Article 4 of the 1985 Annual Town Meeting, or act in any manner relating thereto.

MOTION made by Charles Levine that the Town vote to transfer the following sums of money to meet the additional expenses of the current fiscal year not sufficiently funded under Article 4 of the 1985 Annual Town Meeting:

that the sum of \$156.40 be transferred to Conservation Commission Clerical Account from surplus revenue;

that the sum of \$300.00 be transferred to Planning Board Clerical Account from surplus revenue;

that the sum of \$500 be transferred to Appeal Board Clerical Account from surplus revenue;

that the sum of \$500 be transferred to Appeal Board Expenses Account from surplus revenue;

that the sum of \$1,629.14 be transferred to Town Office Clerical Overtime Account from surplus revenue;

that the sum of \$525.00 be transferred to Wire Inspector Wages from Permits Account from surplus revenue;

that the sum of \$5,277 be transferred to County Pension Fund Account from surplus revenue;

that the sum of \$350.00 be transferred to Debt and Interest Certification of Notes from surplus revenue;

that the sum of \$6,000.00 be transferred to Police Department Training Wages Account from Police Regular Wages;

that the sum of \$2,900.00 be transferred to Police Department Expenses Account from Police Department Regular Wages Account;

that the sum of \$360.00 be transferred to Police Department Expenses Account from surplus revenue;

that the sum of \$29,573.00 be transferred to Police Department Overtime Wages Account from surplus revenue;

that the sum of \$7,000.00 be transferred to Public Library Expenses Account from surplus revenue;

that the sum of \$5,000.00 be transferred to Building Inspector and Zoning Agent Wages from Permits Account from surplus revenue;

that the sum of \$2,704.00 be transferred to Department of Public Works Sewer Regular Wages Account from surplus revenue;

that the sum of \$1,510.00 be transferred to Department of Public Works Sewer Overtime Wages Account from Article 35 of the 1982 Annual Town Meeting.

that the sum of \$3,400.00 be transferred to the Debt and Interest Issuing Bond Costs Account from surplus revenue;

and it was so VOTED.

Article 2. To see if the Town will vote to transfer from available funds a sum of money to meet the minimum cash match of 25% requirement for a grant from the Commonwealth under the Incentive Aid Program, or act in any manner relating thereto.

MOTION made by Mary Catherine Davis, Finance Committee member, that the Town vote to transfer from available funds the sum of \$1,250.00 to meet the minimum cash match of 25% requirement for a grant from the Commonwealth of Massachusetts under the Incentive Aid Program.

Town Counsel suggested that the source of the available funds be named in the Motion.

AMENDED MOTION made by John Menne, Finance Committee member, that the Town vote to transfer from Surplus Revenue.

By Voice Vote the Amended Motion was Carried.

VOTED that the Town transfer from Surplus Revenue the sum of \$1,250.00 to meet the minimum cash match of 25% requirement for a grant from the Commonwealth of Massachusetts under the Incentive Aid Program.

Article 3. To see if the Town will vote to accept an equal educational opportunity grant for fiscal year 1986 in the amount of \$27,284.00, under the provisions of General Laws Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985, said grant shall be expended by the Tri-County Regional School District Committee for direct service expenditures, or act in any manner relating thereto.

VOTED that the Town accept an equal educational opportunity grant for fiscal 1986

in the amount of \$27,284.00, under the provisions of General Laws, Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985, said grant shall be expended by the Tri-County Regional School District Committee for direct service expenditure.

Article 4. To see if the Town will vote to approve the acceptance by a majority vote of the Tri-County Regional Vocational Technical School District Committee of the provisions of Section 13 of Chapter 188 of the Acts of 1985 of the Massachusetts Great and General Court, providing for professional development grants, or act in any manner relating thereto.

VOTED that the Town approve the acceptance by a majority vote of the Tri-County Regional Vocational Technical School Committee of the provisions of Section 13 of Chapter 188 of the Acts of 1985 of the Massachusetts Great and General Court providing for professional development grants.

VOTED to adjourn sine die at 8:17 p.m., the business of the meeting being completed

George G. Ford
Town Clerk

ANNUAL TOWN MEETING

MILLIS, MASSACHUSETTS, MONDAY, MAY 12, 1986

The Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, May 12, 1986, in the George C. Roy auditorium of the Middle-Senior High School and was called to order by the Moderator, John G. Dugan, at 7:40 p.m.

The Town Warrant calling this business meeting was signed by Selectmen Lawrence P. McCarthy, Hindy Rosenfeld and Larry E. Schnicker and was posted on April 24, 1986 by Michael H. Mushnick, Constable, in accordance with the By-laws of the Town of Millis.

Voting List Inspectors:

**Madelene Thumith
Rose Robinson
Ingrid Elofson
Marian Ingraham**

Tellers appointed and sworn in by the Moderator:

**Robert Bryant
Dennis Davidson
Mark Sullivan
Jeanne Sarris**

Before commencing with the meeting the Moderator asked all persons present to join in pledging allegiance to the flag.

Mrs. Hindy Rosenfeld spoke in behalf of Town Departments, Centennial Committee, Brothers of the Brush and Belles to thank the townspeople for their full support during the Centennial celebration.

MOTION made by Charles Levine, Finance Committee Chairman, that the reading of the Warrant and return of the service thereof be omitted.

VOTED that the reading of the Warrant and return of the service thereof be omitted.

MOTION made by Charles Levine that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them by number and subject matter.

VOTED that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them by number and subject matter.

Article 1. and Article 2. were acted on at the Annual Town Election.

Article 3. To see if the Town will vote to transfer a sum of money from surplus revenue or other available funds to meet the additional expenses of the current fiscal year not sufficiently funded under Article 4 of the 1985 Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town transfer the sum of \$3,393.00 from Hurricane Gloria Reimbursement funds to the following accounts:

Library Expense Account \$ 393.00

Public Works Tree Care Account \$3,000.00

Article 4. To see if the Town will vote to adopt amendments to Schedule A Classification Plan, Schedule B Salary Plan, Schedule C Employee Benefits, Schedule D Personnel Policies and Procedures, as outlined in the Personnel Committee Report; to see what sums of money the Town will raise, appropriate or transfer from available funds to implement the amendments or changes in said Schedules A, B, or C, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine that the Town vote to adopt amendments to Schedule A Classification Plan and Schedule B Salary Plan as outlined in the Personnel Committee Report dated May 8, 1986, said Classifications and Salaries to be in effect until the first Special Town Meeting scheduled for Fiscal Year 1987 and that the Personnel Committee be directed to submit a new Personnel Plan at that time with the schedules therein to be retroactive to July 1, 1986.

VOTED to reconsider Line Item 156, Transfer from Water Receipts to Water Division Lines.

MOTION made by Charles Levine to amend Line Item 156, Transfer from Water Receipts to Water Division Lines to read \$308,207, and it was so VOTED.

Article 6. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1986, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or act in any manner relating thereto.

VOTED that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning July 1, 1986, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Article 7. To see if the Town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Board of Health to appoint any of their own members to any other Town office or position for the term provided by law, and fix the salaries of such offices or positions, or act in any manner relating thereto.

VOTED that the Town, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Board of Health to appoint any of their own members to any other Town office or position for the term provided by law, and fix the salaries of such offices or positions at ten dollars per hour, funds to be obtained from the department budget.

Article 8. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Health in cooperation with the Board of Public Works to alleviate known health hazards and determine whether the money shall be provided for by taxation, by transfer from available funds in the Treasury, or act in any manner relating thereto.

MOTION made by John Menne, Finance Committee member, that Article 8 be dismissed.

VOTED to dismiss Article 8.

Article 9. To see if the Town will vote to appropriate and raise by taxation, or transfer from available funds in the Treasury, a sum of money to be added to the Stabilization Fund in accordance with the provisions of Chapter 40, Section 5B of the General Laws, or act in any manner relating thereto.

MOTION made by John Menne that Article 9 be dismissed.

VOTED to dismiss Article 9.

Article 10. To see if the Town will vote to appropriate and raise a sum of money to establish a summer recreation program for physically and mentally handicapped children, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$2,000.00 to establish a summer recreation program for the physically and mentally handicapped children.

Article 11. To see if the Town will vote to appropriate and raise a sum of money to be used for the purchase and installation of data processing hardware and software and other necessary components in order to satisfy the academic and curriculum related objectives of the public schools, and to determine whether the money is to be provided for by taxation, by transfer from available funds in the Treasury, by transfer from the Stabilization Fund, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mary Catherine Davis, Finance Committee member, that Article 11 be dismissed.

VOTED to dismiss Article 11.

Article 12. To see if the Town will vote to appropriate and raise by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money for the purchase of a new bus and authorize the School Committee to dispose of one old bus by trading against the purchase price of the new bus, by outright sale, by auction or otherwise, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws the sum of \$60,000.00 for the purchase

of a new school bus and authorize the School Committee to dispose of one old bus by trading against the purchase price of the new bus, by outright sale, by auction or otherwise.

Article 13. To see if the Town will vote to authorize the School Committee to use the proceeds from the sale of used metal shop equipment for the purpose of refurbishing said metal shop, or act in any manner relating thereto.

MOTION made by Mary Catherine Davis that Article 13 be dismissed. VOTED to dismiss Article 13.

Article 14. To see if the Town will vote to appropriate and raise by taxation, by transfer from the Stabilization Fund, or by transfer from available funds in the Treasury, a sum of money to purchase and equip three new police cruisers and to convert two old vehicles and authorize the Board of Selectmen to dispose of three old cars by trading against the purchase price of the new cars, by outright sale, by auction or otherwise, or act in any manner relating thereto.

MOTION made by Patricia Sjogren that the Town appropriate the sum of \$24,786.00 and the sum of \$11,337.00 to be raised by transfer from the Property Damage Account and the sum of \$12,443.00 to be raised by taxation; to purchase and equip two new police cruisers and to convert two old vehicles and authorize the Board of Selectmen to dispose of two old vehicles by trading against the purchase price of the new cars, by outright sale, by auction or otherwise.

AMENDED MOTION made by Patricia Sjogren that this article read \$13,449.00 to be raised by taxation.

By Voice Vote the Amended Motion was Carried.

VOTED that the Town appropriate the sum of \$24,786.00 and the sum of \$11,337.00 to be raised by transfer from the Property Damage Account and the sum of \$13,449.00 to be raised by taxation; to purchase and equip two new police cruisers and to convert two old vehicles and authorize the Board of Selectmen to dispose of two old vehicles by trading against the purchase price of the new cars, by outright sale, by auction or otherwise.

Article 15. To see if the Town will vote to appropriate and raise by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money for the lease and/or purchase of a new Fire Department pumper and necessary appurtenances and authorize the Board of Selectmen to dispose of one of the old fire trucks by trading against the purchase price of the new pumper, by outright sale, by auction or otherwise, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws the sum of \$168,750.00 for the purchase of a new Fire Department pumper and necessary appurtenances, and authorize the Board of Selectmen to dispose of one of the old fire trucks by trading against the purchase price of the new pumper, by outright sale, by auction or otherwise.

Article 16. To see if the Town will vote to appropriate and raise a sum of money for the purchase of three insulated overhead doors for the Fire Station at 885 Main Street and to determine whether the money shall be raised by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Patricia Sjogren that Article 16 be dismissed. VOTED to dismiss Article 16.

Article 17. To see if the Town will vote to appropriate and raise a sum of money for the purchase of home receivers for the Fire Department and to determine whether the money shall be raised by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$6,325.00 for the purchase of home receivers for the Fire Department.

Article 18. To see if the Town will vote to appropriate and raise by taxation or transfer from available funds in the Treasury, a sum of money to provide for the continuation of the Drop-In Center and Hot Meals Program for the Senior Citizens of the Town of Millis, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$3,150.00 to provide for the continuation of the Drop-In Center and Hot Meals Program for the Senior Citizens of the Town of Millis.

Article 19. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Library Trustees to provide engineering consulting services relating to the repair or replacement of the roof over the two story section of the Millis Public Library and to determine whether the money shall be raised by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Richard Milley, Finance Committee member, that Article 19 be dismissed.

VOTED to dismiss Article 19.

Article 20. To see if the Town will vote to appropriate and raise a sum of money for the repair or replacement of the roof over the two-story section of the Millis Public Library and to determine whether the money shall be raised by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$50,000.00 for the repair or replacement of the roof over the two-story section of the Millis Public Library.

Article 21. To see if the Town will vote to appropriate and raise a sum of money for an independent audit of all revenue sharing and municipal accounts of the Town and to determine whether the money shall be raised by taxation, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$6,000.00 for an independent audit of all revenue sharing and municipal accounts of the Town.

Article 22. To see if the Town will vote to appropriate and raise by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, a sum of money to be used for energy conservation measures for public facilities, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$2,000.00 to be used for energy conservation measures for public facilities.

Article 23. To see if the Town will vote to appropriate and raise by taxation or by transfer from available funds in the Treasury, a sum of money for partial reimbursement to the Town of Brookline for payments made to Paul T. Clancy pursuant to the provisions of Chapter 32 of the General Laws, or act in any manner relating thereto.

MOTION made by Kevin Howley, Finance Committee member, that Article 23 be dismissed.

VOTED to dismiss Article 23.

Article 24. To see if the Town will vote to authorize its Treasurer to enter into a compensating balance agreement or agreements for fiscal year 1987 pursuant to Chapter 44, Section 53F of the General Laws, or act in any manner relating thereto.

VOTED that the Town authorize its Treasurer to enter into a compensating balance agreement or agreements for fiscal year 1987 pursuant to Chapter 44, Section 53F of the General Laws.

Article 25. To see if the Town will vote to authorize the Board of Selectmen to enter into contracts with the Massachusetts Department of Public Works and the Norfolk County Commissioners and to expend funds made available during the year for the construction and maintenance of public highways for the 1986-87 fiscal year, or act in any manner relating thereto.

VOTED that the Town authorize the Board of Selectmen to enter into contracts with the Massachusetts Department of Public Works and the Norfolk County Commissioners and to expend funds made available during the year for the construction and maintenance of public highways for the 1986-87 fiscal year.

Article 26. To see if the Town will vote to authorize the Board of Public Works to appoint its own sewer and water registrar, funds therefor to be obtained from the department budget, or act in any manner relating thereto.

VOTED that the Town authorize the Board of Public Works to appoint its own sewer and water registrar, funds therefor to be obtained from the department budget.

Article 27. To see if the Town will vote to accept the 1985 Cemetery Trust Funds from individual families or estates as follows:

Carl W. Huntington	\$ 25.00
Shirley Doliner	50.00

or act in any manner relating thereto.

VOTED that the Town accept the 1985 Cemetery Trust Funds from individual families or estates as follows:

Carl W. Huntington	\$ 25.00
Shirley Doliner	50.00

Article 28. To see if the Town will vote to appropriate a sum of money to provide engineering services to complete test wells in anticipation of construction relative to a gravel packed well, pump station and all permanent appurtenances (Well #5) and to complete observation wells in the vicinity of the present landfill and to determine whether the money is to be provided for by taxation, by transfer from available funds in the Treasury, by transfer from water revenue, by borrowing through community facility loans from the

U. S. Department of Agriculture Farmers Home Administration, by accepting all available state and federal funds, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by transfer from water revenue the sum of \$10,000.00 to be used by the Board of Public Works to provide engineering services to complete permanent observation wells in the vicinity of the present landfill, and authorize the Board of Public Works to apply for, accept and expend any state and/or federal grants that may be available for the purpose of this article.

Article 29. To see if the Town will vote to appropriate a sum of money to provide engineering services relative to the establishment of guidelines to be utilized in the preparation of proposed plans for residential, commercial or business development and determine whether the money shall be provided by taxation, by transfer from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$1,000.00 to provide engineering services relative to the establishment of guidelines to be utilized in the preparation of proposed plans for residential, commercial or business development.

Article 30. To see if the Town will vote to appropriate and raise a sum of money and authorize the Board of Public Works to implement rehabilitative improvements and renovations to the Town's water system or otherwise act thereon, to be used in conjunction with all available state and federal funds and to determine whether the money is to be provided for by taxation, by transfer from available funds in the Treasury, by borrowing under the provisions of Chapter 44 of the General Laws, by appropriation of available funds from water revenue, or by borrowing through community facility loans from the U. S. Department of Agriculture Farmers Home Administration, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws the sum of \$497,000.00 and authorize the Board of Public Works to implement rehabilitative improvements and renovations to the Town's water system, and authorize the Board of Public Works to apply for, accept and expend any state and/or federal grants that may be available for the purposes of this article, said funds to be expended in addition to the amount appropriated hereunder.

Article 31. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works relative to construction of approximately 20,000 Linear feet of lateral sewers as designated by Phase 1 of the PIF Area to be used in conjunction with all available state and federal funds, and determine whether the money shall be provided by taxation, by transfer of available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Everett Adams, Finance Committee member, that the Town appropriate and raise by borrowing under provisions of Chapter 44 of the General Laws the sum of \$2,343,000.00 to be used by the Board of Public Works relative to the construction of approximately 20,000 Linear feet of sewer laterals as designated by Phase I of the PIF area, and authorize the Board of Public Works to apply for, accept and expend any state and/or federal grants that may be available for the purpose of this article, said funds to be expended in addition to the amount appropriated hereunder.

AMENDED MOTION made by Allen Gilpatrick to add, "contingent upon evidence of state approval to transmit funds and capability of the sewerage plant to adequately service the sewerage involved as approved by the DEQE."

By Voice Vote the Amended Motion was Carried.

After considerable discussion MOTION was made to Move the Previous Question.

UNANIMOUSLY VOTED to Move the Previous Question. By rising count, "Yes"—177 - "No" 36, it was VOTED to appropriate and raise by borrowing under provisions of Chapter 44 of the General Laws the sum of \$2,343,000.00 to be used by the Board of Public Works relative to the construction of approximately 20,000 Linear feet of sewer laterals as designated by Phase 1 of the PIF Area, and authorize the Board of Public Works to apply for, accept and expend any state and/or federal grants that may be available for the purpose of this article, said funds to be expended in addition to the amount appropriated hereunder, contingent upon evidence of state approval to transmit funds and capability of the sewerage plant to adequately service the sewerage involved as approved by the DEQE.

Article 32. To see if the Town will vote to accept a perpetual sewer easement, from Diversified Associates, Inc., a Massachusetts Corporation, having its principal place of business in Millis, Norfolk County, Massachusetts, 20 feet in width, for the installation and maintenance of sewer pipe in, under and through the following described premises situated between Main Street and Farm Street in said Millis and shown as Parcel "B" on a plan entitled "Sewer Easements, Plan of Land in Millis, Massachusetts prepared for William Whelan, Date: October 28, 1985; Scale: 40 ft. to an inch, Guerriere and Halnon, Inc. Engineering and Land Surveying" as follows:

Beginning at the northwesterly corner of said easement on the southeasterly side of said Main Street; thence

South 23 degrees 16' 20" east to the northwesterly line of said Farm Street; thence

North 44 degrees 04' 45" east to a point; thence

North 23 degrees 16' 20" west, 165.60 feet to the southwesterly side of Main Street; thence

South 66 degrees 43' 40" west, 20.00 feet to the point of beginning.

This easement shall include the right to enter and re-enter said premises for the purpose of construction, repairing and maintaining said sewerage line and the grantee, shall, at its sole expense, repair and make good any damage or disturbance caused by such construction, repair or maintenance of said sewer line and return said premises to their original condition. Grantors Title - Norfolk Deeds, Book 4020, Page 253 and Book 4037, Page 125; or act in any manner relating thereto.

VOTED that the Town accept a perpetual sewer easement from Diversified Associates, Inc. as detailed in Article 32 of the 1986 Annual Town Meeting.

Article 33. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works to purchase a new and unused one-half ton pickup truck and appurtenances, sell or otherwise dispose of the old vehicle and have the proceeds or allowance thereof applied against the cost of the new vehicle and determine whether the money shall be provided for by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws the sum of \$7,950.00 to be used by the Board of Public Works to purchase a new and unused one-half ton pickup truck and

appurtenances, to sell or otherwise dispose of the old vehicle and have the proceeds or allowance thereof applied against the cost of the new vehicle.

Article 34. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works to purchase a new and unused one ton, four wheeled drive cab and chassis with dual rear wheels, 2 yard dump body, 9' power reversible snow plow and appurtenances, sell or otherwise dispose of the old vehicle and have the proceeds or allowance thereof applied against the purchase price of the new vehicle and determine whether the money shall be provided for by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the Town appropriate and raise by borrowing under the provisions of Chapter 44 of the General Laws the sum of \$16,000.00 to be used by the Board of Public Works to purchase a new and unused one ton, four wheeled drive cab and chassis with dual rear wheels, 2 yard dump body, 9' power reversible snow plow and appurtenances, sell or otherwise dispose of the old vehicle and have the proceeds or allowance thereof applied against the purchase price of the new vehicle.

Article 35. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works to purchase a new and unused sidewalk sander and appurtenances, and determine whether the money shall be provided for by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$2,400.00 to be used by the Board of Public Works to purchase a new and unused sidewalk sander and appurtenances.

Article 36. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works to purchase an 11-foot power reversible snow plow, hydraulic operated with controls and appurtenances and determine whether the money shall be provided for by taxation, by transfer from the Stabilization Fund, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Everett Adams that Article 36 be dismissed. VOTED to dismiss Article 36.

Article 37. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works to lease-purchase a new and unused twenty-two ton loader and appurtenances and determine whether the money shall be provided for by taxation, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town enter into a five year lease purchase agreement for a new and unused twenty-two ton loader and appurtenances and appropriate and raise by taxation the sum of \$33,559.00 to be used by the Board of Public Works for the lease of the first year thereof.

At this time the Moderator announced that action on Line Item No. 168 under Article 5 was tabled until after discussion of Article 37.

MOTION made by Charles Levine that Line Item No. 168 under Article 5 be Amended to read \$8,100.00.

VOTED that Line Item No. 168 under Article 5 be Amended to read \$8,100.00.

Article 38. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works for the purchase of daily cover material for the Millis Sanitary Landfill (FY 87) and determine whether the money shall be provided for by taxation, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate the sum of \$45,000.00; \$29,823.00 to be raised by transfer from the Hurricane reimbursement account and \$15,177.00 to be raised by taxation; to be used by the Board of Public Works for the purchase of daily cover material for the Millis Sanitary Landfill for Fiscal 1987.

Article 39. To see if the Town will vote to accept a perpetual sewer easement from Mr. John Santos of Millis, Norfolk County, Massachusetts, 25 feet in width, for the installation and maintenance of sewer pipe in, under and through the following described premises situated between Farm Street and Pleasant Street in said Millis and shown as Parcel 'A' on a plan entitled 'Sewer Easements, Plan of Land in Millis, Massachusetts prepared for William Whelan, Date: October 28, 1985, Scale: 40 ft. to an inch, Guerriere and Halnon, Inc. Engineering and Land Surveying-' to be recorded herewith and bounded and described in accordance with said plan as follows:

Beginning at the northwesterly corner of said easement on the southeasterly line of Farm Street; thence
South 14 degrees 55' 00" east, 198 feet, more or less, to a corner; thence
North 53 degrees 39' 12" east, 188 feet, more or less, to a point; thence
North 78 degrees 51' 30" east, 71 feet, more or less to the westerly line of said Pleasant Street; thence
North 11 degrees 8' 30" west, 25.00 feet to a point; thence
South 78 degrees 51' 30" west, 77.00 feet; thence
South 53 degrees 39' 12" west, 25 feet, more or less, to a point; thence
South 53 degrees 39' 12" west, 174.00 feet to a point; thence
North 14 degrees 55' 00" west, 178.50 feet; thence
South 43 degrees 74' 00" west, 25.00 feet, more or less, to the point of beginning.

Said easement is one foot off face of buildings shown as Greenhouse and Barn on said plan. Together with the right to enter and re-enter said premises for the purpose of construction, repairing and maintaining said sewerage line. The grantee shall, at its sole expense, repair and make good any damage or disturbance caused by such construction, repair or maintenance of said sewer line and return said premises to their original condition. Grantors Title, Norfolk Deeds Grantors Title, Norfolk Deeds, Book 5398, Page 181; or act in any manner relating thereto.

VOTED that the Town accept a perpetual sewer easement from Mr. John Santos as detailed in Article 39 of the 1986 Annual Town Meeting.

Article 40. To see if the Town will vote to accept a drainage easement, through the property of Anthony J. and Lenora C. D'Innocenzo, as shown on a plan entitled 'Plan of Drainage Easements, Plain Street, Millis, Scale: 1"=40', October 25, 1985, Alvah L. Downs, County Engineer, bounded and described as follows:

Beginning at the southwesterly corner of Lot 12 as shown on Plan No. 1009 of 1955, which plan is recorded in the Norfolk County Registry of Deeds in Book 3391, Page 298, said point also being the southwest terminus of the drainage easement described in Book 3450, Page 519; thence S01 degrees - 17' - 30" a distance of 5.01 feet by land of Julio A. and Marie Fontecchio to a point; thence S85 degrees 58' - 25" W, a distance of 10.26 feet to a point; thence N35 degrees 28' - 50" W, a distance of 341.73 feet to a point; thence N59 degrees 25' - 29" W, a distance of 536.20 feet to a point; said point lying on the property line between the above named Anthony D'Innocenzo and Louis DeAngelis; thence N23 degrees 53' - 51" W, a distance of 21.97 feet by land of said DeAngelis to a point; thence S89 degrees - 25' - 29" E, a distance of 548.61 feet to a point; thence N09 degrees - 58' - 42" E, a distance of 16.74 feet to a point; said point lying on the property line between said D'Innocenzo and Paul M. and Ruth D. Howard, said point being S17 degrees - 17' - 50" E, a distance of 11.94 feet from the northwesterly terminus of a drainage easement described in Book 3132, Page 115 and land of said Howard to a point; thence S76 degrees - 58' - 42" W, a distance of 5.00 feet to a point; thence S09 degrees - 58' - 42" W, a distance of 255.00 feet to a point; thence S35 degrees - 28' - 50" E, a distance of 322.14 feet to a point; said point being the northwest terminus of the drainage easement described in Book 3450, Page 519; thence S01 degrees 17' - 30" E, a distance of 15.01 feet by land of Peter and Nan B. Buchanan to the point of beginning.

The above described drainage easement is 20.00 feet in width and for the most part follows an existing drainage ditch; or act in any manner relating thereto.

MOTION made by Anthony D'Innocenzo to table discussion on Article 40 until completion of discussion on Article 41.

VOTED to table discussion on Article 40 until completion of discussion on Article 41.

Article 41. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works for the drainage construction within a drainage easement on the D'Innocenzo property, (Plain Street) and determine whether the money shall be provided for by taxation, by transfer from available funds in the Treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Richard Milley that Article 41 be dismissed.

The Voice Vote being in doubt a standing vote was taken.

By rising count, "Yes"—64 - "No"—96, the Motion for dismissal was Not Carried.

MOTION made by Richard Milley that the Town appropriate and raise by taxation the sum of \$21,000.00 to be used by the Board of Public Works for the drainage construction within a drainage easement on the D'Innocenzo property (Plain Street).

VOTED that the Town appropriate and raise by taxation the sum of \$21,000.00 to be used by the Board of Public Works for the drainage construction within a drainage easement on the D'Innocenzo property (Plain Street).

Article 40. VOTED that the Town accept a drainage easement, through the property of Anthony J. and Lenora C. D'Innocenzo as detailed in Article 40 of the 1986 Annual Town Meeting.

Article 42. To see if the Town will vote to authorize the Oak Grove (Izbicki) Farm Study Committee to continue its research of present and future uses of the Oak Grove Farm property, and to report its findings and recommendations to the Town no later than May 1987, or act in any manner relating thereto.

VOTED that the Town authorize the Oak Grove (Izbicki) Farm Study Committee to continue its research of present and future uses of the Oak Grove Farm property and to report its findings and recommendations to the Town no later than May 1987.

Article 43. To see if the Town will vote to appropriate and raise the sum of \$2,000.00 to be used by the Oak Grove (Izbicki) Farm Study Committee to defray expenses for researching and reporting on present and future uses of the Oak Grove Farm, and to determine whether the money is to be provided for by taxation, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$2,000.00 to be used by the Oak Grove (Izbicki) Farm Study Committee to defray expenses for researching and reporting on present and future uses of the Oak Grove Farm.

Article 44. To see if the Town will vote to appropriate and raise, or transfer from available funds in the Treasury, the sum of \$46,418.00 received from the Commonwealth of Massachusetts under Chapter 356 of the Acts of 1977 for the design, construction and or improvements of town roads as determined by the Board of Public Works, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by transfer from available funds in the Treasury the sum of \$46,418.00 received from the Commonwealth of Massachusetts under Chapter 356 of the Acts of 1977 for the design, construction and or improvements of town roads as determined by the Board of Public Works.

Article 45. To see if the Town will vote to appropriate and raise by taxation, or by transfer from available funds in the Treasury, the sum of \$25,126.00 for the purpose of obtaining additional funding from the Commonwealth of Massachusetts for the construction, reconstruction and improvement of primary and secondary roads within the town, or act in any manner relating thereto.

VOTED that the Town appropriate and raise by taxation the sum of \$25,126.00 for the purpose of obtaining additional funding from the Commonwealth of Massachusetts for the construction, reconstruction and improvement of primary and secondary roads within the town.

Article 46. To see if the Town will vote to appropriate and raise a sum of money to be used by the Board of Public Works to defray engineering costs for the preparation of contract documents for the reconstruction of high hazard locations, i.e. intersection of Exchange, Orchard and Middlesex Streets, Intersection of Exchange Street, Union Street, and Van Kleeck Road at Village Street between Plain Street and Norfolk Road, identified in the Highway Safety program for the Town of Millis approved by the Massachusetts Department of Public Works, (all actual construction to be performed and funded by the Massachusetts Department of Public Works) and determine whether the money shall be provided for by taxation, by transfer from available funds in the Treasury, or by borrow-

ing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Mary Catherine Davis that Article 46 be dismissed. VOTED to dismiss Article 46.

Article 47. To see if the Town will vote to appropriate and raise a sum of money to be expended under the direction of the Board of Public Works to perform a drainage study on the basin tributary to the culvert under Main Street located between Farm Street and Hammond Lane in order to investigate the potential flooding impacts resulting from current and projected future development relative to the Acorn Street area, investigate the effects that the Charles River Bogastow Brook flooding has on the Acorn Street area and to make recommendations pertinent to relieving said flooding conditions and determine whether the money shall be provided for by taxation, by transfer from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Kevin Howley, Finance Committee member, that Article 47 be dismissed.

VOTED to dismiss Article 47.

Article 48. To see if the Town will vote to amend the Zoning Map dated March 9, 1959, as amended, by changing from Industrial District to Residential II District the land described as parcels numbered 1, 3, 9, 12, 14, 15, 16, 17, 18, 19, 20, 41 and 44, as shown on Assessors Map No. 32, or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

MOTION made by Kevin Howley that Article 48 be dismissed.

VOTED to dismiss Article 48.

Article 49. To see if the Town will vote to amend the Zoning By-laws by adding a section, Groundwater Protection District, which will establish overlaying zones to protect the Town's water supply and to regulate any construction for uses in such zones, as follows:

GROUND WATER PROTECTION DISTRICT

1. Purpose

- a. To protect, preserve and maintain the existing and potential groundwater supply and groundwater recharge areas within the known aquifers of the town.
- b. To preserve and protect present and potential sources of water supply for the public health and safety.
- c. To protect the groundwater and groundwater recharge areas of the town from adverse development of land use practices.

2. Special Definitions — The following definitions apply to specialized words or terms associated with this District.

- a. **Aquifer** — Geologic formation composed of rock or sand and gravel that contains significant amounts of potentially producible potable water.
- b. **Area of Influence** — The area which experiences drawdown by a pumping well as plotted on a two-dimensional (map) surface, usually ellipsoidal in shape.
- c. **Cone-of-Depression** — A three-dimensional conical concavity produced in a water table by a pumping well.

- d. **Glacioluvial** — Pertaining to an unconsolidated geologic deposit which was formed by, or in association with, glacial meltwater streams, typically resulting in the deposition of sand and gravel-sized particles.
- e. **Glaciolacustrine** — Pertaining to an unconsolidated geologic deposit which was formed by, or in association with, a glacial lake environment, typically resulting in the deposition of sand, silt and clay sized particles. References to such deposits within this by-law refer to the more coarse grained sediments such as would be associated with a delta.
- f. **Groundwater** — The subsurface water present in aquifers and recharge areas.
- g. **Impervious Surface** — Material on the ground that does not allow significant amounts of surface water to penetrate into the soil.
- h. **Leachable Wastes** — Waste materials including solid wastes, sludge and agricultural wastes that are capable of releasing water borne contaminants to the surrounding environment.
- i. **Mining of Land** — The removal of geologic materials such as topsoil, sand and gravel, metallic ores or bedrock.
- j. **Process Wastes** — Non-domestic, non-toxic, non-hazardous, liquid or solid waste by-products associated with the manufacture or preparation of a product, including, but not limited to, hardware, dry goods, foodstuffs and printed materials.
- k. **Recharge Areas** — Areas composed of permeable, porous materials that collect precipitation or surface water and transmit it to aquifers.
- l. **Sanitary Waste** — Wastewaters arising from ordinary domestic water use as from toilets, sinks and bathing facilities, and containing such concentrations and types of pollutants as to be considered normal wastes.
- m. **Saturated Thickness** — The depth of permeable soil actually saturated with water to the capacity of the soil to contain water under normal conditions of temperature and pressure.
- n. **Solid Wastes** — Any discarded solid material, putrescible or non-putrescible, consisting of all combustible and non-combustible solid material including, but not limited to, garbage and rubbish.
- o. **Toxic or Hazardous Materials** — Any substance or mixture of such physical, chemical or infectious characteristics in sufficient quantity as to pose a significant actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this town. Toxic or hazardous materials include, without limitation, organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalines, pesticides, herbicides, solvents, thinners, including the 129 Priority Toxic Pollutants established by the U.S. Environmental Protection Agency.
- p. **Sub-Basin** — Land area drained by a river, brook, or intermittent stream as determined by the Mass DFQE Division of Water Supply (Water Supply Protection Atlas Handbook, 1982 Edition).

Whereas any special definition set out herein conflicts with any definition set out elsewhere in this By-Law, the definitions set out herein shall apply for the purposes of this section.

3 **Establishment and Description of Ground Water Protection District**

- a. The location and boundaries of the Ground Water Protection District (GWPD) are established as shown on the Zoning Map of the Town of Millis and consist of:

GWPD — Zone A — all aquifers

GWPD — Zone B — the Charles River CH-64 sub-basin

GWPD — Zone C — watershed areas.

- b. The geographical extent of GWPD — Zone A is determined by the official overlays of the *Commonwealth of Massachusetts Aquifers* as prepared by the Massachusetts Department of Environmental Quality Engineering (DEQE) and the United States Geological Survey (USGS).
- c. The geographical extent of GWPD — Zone B is determined by the official overlays of the *Charles River Sub-Basin CH-64* as prepared by the DEQE and the USGS.
- d. The geographical extent of GWPD — Zone C is determined by, and identical to, the *Watershed Protection District* as shown on the Zoning Map of the Town of Millis and as set out in Section X of this By-Law.
- e. Prior to any activity, which would be a violation of this section, being undertaken on any premises it is the responsibility of the owner to determine if the premises are within the GWPD. At the request of the owner the Town may engage a professional Hydrogeologist or other soil scientist at the expense of the owner to make that determination.

4. Special Use Regulations

- a. The GWPD is superimposed over any other district established by this By-Law. Only those uses specifically allowed by these Special Use Regulations and also allowed in the underlying district by other provisions of this By-Law are permitted in a GWPD zone.
- b. **Permitted in Zone A**
 - i. Pasture, haying, gardening, nursery, conservation and forestry on the following conditions:
 - (a) fertilizers, herbicides, pesticides and leachable wastes shall not be stored outdoors or in any manner which permits leaking or leaching;
 - (b) if fertilizers, pesticides, herbicides or other potential contaminants are applied, upon direction or order from the Millis Board of Health ground water quality monitor test wells shall be installed and sampled at the expense of the owner or user of the premises. The wells shall be designed and located by a professional geologist, hydrologist, or professional engineer trained and experienced in hydrogeology and sampling shall be conducted by an agent of the Millis Board of Health.
 - ii. Public utilities designed and maintained so as to prevent ground-water contamination.
 - iii. Residential Development of single family dwellings on the following conditions:
 - (a) minimum lot size shall be 80,000 square feet,
 - (b) no more than 5 per cent of the building lot shall be rendered impervious,
 - (c) on-site domestic sewerage disposal shall not exceed 55 gallons per day per 10,000 square feet of lot area.
 - iv. Commercial and Industrial Development on the following conditions:
 - (a) commercial development shall be limited to retail shopping and business or professional offices,
 - (b) industrial development shall be limited to storage of non-toxic, non-hazardous materials,
 - (c) minimum lot size shall be 80,000 square feet

- (d) no more than 20 per cent of the building lot shall be rendered impervious,
 - (e) run-off from roofs parking lots and other paved areas shall be recharged on-site,
 - (f) run-off from parking lots and driveways shall be discharged to oil/gas catch basins with appropriate sumps prior to recharge,
 - (g) on site sewerage disposal shall not exceed 55 gallons per day per 10,000 square fee of lot area.
- b. **Permitted in Zone B**
 - i. All uses permitted in Zone A.
 - ii. Residential Development of single family dwellings on the following conditions:
 - (a) minimum lot size shall be 40,000 square feet,
 - (b) no more than 10 per cent of the building lot shall be rendered impervious.
 - (c) on-site domestic sewerage disposal shall not exceed 110 gallons per day per 10,000 square feet of lot area.
 - iii. Commercial and Industrial Development on the following conditions:
 - (a) commercial development shall be limited to storage of non-toxic, non-hazardous materials,
 - (c) minimum lot size shall be 40,000 square feet,
 - (d) no more than 40 per cent of the building lot shall be rendered impervious,
 - (e) run-off from roofs, parking lots and other paved areas shall be recharged on-site,
 - (f) run-off from parking lots and driveways shall be discharged to oil/gas catch basins with appropriate sumps prior to recharge,
 - (g) on-site sewerage disposal shall not exceed 110 gallons per day per 10,000 square feet of lot area.
- c. **Permitted in Zone C.**
 - i. All uses permitted in Zone B.
 - ii All uses permitted in any underlying district subject to the condition that run-off waters from constructed impervious surfaces shall be treated to remove any materials that are prohibited by this section or any other law or regulation, if necessary, and discharged to the ground water system.

5. **Special Prohibitions**

- a. **Prohibited in Zone A:**
 - ii. Disposal by any means of any waste material, solid or liquid, other than domestic sanitary wastes;
 - ii. Outdoor or underground storage of leachable, potentially noxious materials including but not limited to chemicals, fertilizers, manure, petroleum products, road salt, and de-icing compounds;
 - iii. Uses which, as part of normal operating or maintenance procedures, would involve the application, transfer, storage or use of toxic or hazardous materials;
 - iv. Any use or application of toxic or hazardous materials, even in small application or as accessory to a nonrelated practice;
 - v. The commercial mining of land;
 - vi. Current approved legal use is exempted until January 1, 1991.

- b. **Prohibited in Zone B:**
 - i. Disposal of solid waste, other than brush and stumps;
 - ii. the disposal of domestic or liquid or leachable wastes other than sanitary domestic waste or innocuous process wastes;
 - iii. Storage of road salt or de-icing compounds, except as specified in a.vi.
 - iv. Automotive service and repair shops, junk and salvage yards;
 - v. Car washes;
 - vi. Dry cleaning establishments;
 - vii. Metal plating or etching;
 - viii. Chemical and bacteriological laboratories;
 - ix. Any other use which involves as a principal or accessory activity the manufacture, storage, use, transportation or disposal of toxic or hazardous materials.
- c. **Prohibited in Zone C:**
 - i. Disposal of solid wastes other than brush and stumps;
 - ii. Storage of road salt or de-icing compounds;
 - iii. Any use which involves as a principal activity the manufacture, storage, use, transportation or disposal of toxic or hazardous materials.

6. **Uses By Special Permit Only**

- a. The following uses are allowed by a Special Permit from the Millis Board of Appeals (SBA) only if they comply with the Special Prohibitions of this section and all other provisions of this Zoning By-Law:
 - i. **In Zone A:**
 - (a) any use involving retention of less than 50 percent of a lot area in its natural state on condition that there be no more than minor removal of existing trees and ground vegetation;
 - (b) mining of land for on-site use only;
 - (c) expansion of existing nonconforming uses to the extent otherwise allowed by this By-Law;
 - (d) uses requiring greater impervious cover than that provided in this section on condition that the additional run-off be properly recharged to the site and further provided that no more than 20 percent of the lot area be rendered impervious.
 - ii. **In Zone B:**
 - (a) Any use involving retention of less than 30 percent of a lot area in its natural state on condition that there be not more than minor removal of existing trees and ground vegetation;
 - (b) any use, other than a single family dwelling, with on-site dwelling, with on-site sewerage disposal exceeding 110 gallons per day per 10,000 square feet of lot area, provided, however, that no special permit shall allow disposal of more than 15,000 gallons of sewerage on-site per day regardless of lot size;
 - (c) expansion of any existing or non-conforming uses to the extent allowed in the underlying district provided that the SBA finds that such expansion shall not be substantially more detrimental to the water supply than the existing use or render impervious more than 40 percent of the lot area.

iii. **In Zone C:**

- (a) expansion of any existing or non-conforming uses to the extent allowed in the underlying district provided that the SBA finds that such expansion shall not be substantially more detrimental to the ground water supply than the existing one.

7. **Special Procedures**

- (a) In addition to the procedures required by the General Laws and this Zoning By-Law the following special procedures shall apply to Special Permits under this section:
 - i. Special permit applications accompanied by 10 copies of a plan or plans showing any proposed construction or use in the GWPD and all proposals for compliance with this section shall be filed with the Town Clerk.
 - ii. The Town Clerk shall transmit one copy each to the Board of Health, Building Inspector, Conservation Commission, Planning Board and Board of Public Works for review and written recommendations. Failure to respond within 45 days to the Clerk of the SBA shall indicate approval by such agencies.
 - iii. The SBA shall give due consideration to all recommendations of the Town agencies and shall explain in its decision any departures from such recommendations.
 - iv. The SBA shall give due consideration to the simplicity, reliability and feasibility of the control measures proposed and the degree of threat to water quality if the control measures fail.
 - v. The SBA shall grant no Special Permit under this section unless it affirmatively finds the proposed use:
 - (a) meets the intent and purpose of this section as well as its specific criteria;
 - (b) will not during construction or upon completion have an adverse impact on any aquifer or recharge area;
 - (c) will not adversely affect an existing or potential water supply;
 - (d) is consistent with existing and projected future development of surrounding areas,

or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

MOTION made by Kevin Howley that the Town amend the zoning by-laws by adding a section, Groundwater Protection District, as detailed in the addendum affixed to the Town Meeting Warrant as posted.

AMENDED MOTION made by Peter Temple that Uses Permitted in Zone A be changed to read "Livestock pasturing, haying, gardening, nursery, conservation and forestry on the following conditions:"

By Voice Vote the Amended Motion was Carried.

MOTION made to recess this meeting until Tuesday, May 20, 1986, at 7:30 p.m. in this hall.

VOTED to recess at 11:43 p.m.

George G. Ford
Town Clerk

RECESSED ANNUAL TOWN MEETING MILLIS, MASSACHUSETTS, TUESDAY, MAY 20, 1986

The Recessed Annual Business Meeting of the Town of Millis, Massachusetts was held Tuesday evening, May 20, 1986, in the George C. Roy auditorium of the Middle-Senior High School and was called to order by the Moderator, John G. Dugan, at 7:48 p.m.

The Town Warrant calling the recessed meeting was posted on May 16, 1986 by Helen R. Kubacki, Constable, in accordance with the By-laws of the Town of Millis.

Voting List Inspectors:

**Madelene Thumith
Rose Robinson
Ingrid Elofson
Marian Ingraham**

Tellers appointed and sworn in by the Moderator:

**Nicholas Morana
James Neville
Vincenza Rardin
Jeanne Sarris**

The Moderator stated that non-voters are seated in the cafeteria. Unanimous consent of the voters present is needed for non-voters to speak and it is encouraged that they be given that consent.

Article 49 is where the meeting will resume and after that the meeting will proceed to the various articles posted for reconsideration.

Article 49. AMENDED MOTION made by Gail Douglas that under Permitted Uses in Zone B that a new section (d.) be added as follows: "Residential buildings and structures existing on the effective date of this by-law may be maintained, repaired or altered, including the addition of accessory buildings or uses, provided that such alterations or additions shall not increase the total amount of impervious surface on the lot to more than 20 percent of the total lot area.

By Voice Vote the Amended Motion was Carried.

After considerable discussion on Article 49, **MOTION** made by Judith Ackerman to **Move the Previous Question.**

The Vote not being unanimous, a standing vote was taken.

By rising count, "Yes" 370 - "No" 23, it was **VOTED** to Move the Previous Question.

Vote was taken on the Main Motion as amended.

By rising count, "Yes" 245 - "No" 161, Article 49 was **Defeated.**

Mrs. Gail Douglas requested a recount of the vote. More than seven voters stood to question the vote and a second count was taken.

By rising count, "Yes" 241 - "No" 173, Article 49 was again **Defeated.**

MOTION made by Patricia Sjogren that the articles for reconsideration be taken up as follows:

Article 3
Article 12
Article 15
Article 40
Article 41
Article 5 - Lines 115, 169, 172 and 178
Article 20

MOTION made by Charles Levine that Article 3 be reconsidered and it was so VOTED.

MOTION made by Charles Levine that the Town appropriate and transfer the sum of \$9,393.00 as follows:

from the Hurricane Gloria Reimbursement Account to	
Library Expense Account	393.00
Public Works Tree Care Account	3000.00
from the fiscal 1986 General Insurance Account to	
Building Inspector Wages	
from Permits Account	6000.00

and it was so VOTED.

MOTION made by Patricia Sjogren that Article 12 (School Bus) be reconsidered. By Voice Vote the Motion for reconsideration was Not Carried.

MOTION made by Patricia Sjogren that Article 15 (Fire Department Pumper) be reconsidered.

By Voice Vote the Motion for reconsideration was Not Carried.

MOTION made by Charles Levine that Article 40 (Drainage Easement, Plain Street) be reconsidered.

Before a vote was taken on the Motion for reconsideration, the Motion was withdrawn by Mr. Levine.

MOTION made by Charles Levine for reconsideration of Article 41. VOTED to reconsider Article 41.

MOTION made by Charles Levine that Article 41 be dismissed.

After considerable discussion on this Motion, a MOTION was made by Joseph Felton to Move the Previous Question.

The Voice Vote not being Unanimous, a standing vote was taken.

By rising count, "Yes" 289 - "No" 4, it was VOTED to Move the Previous Question.

By Voice Vote the Motion for dismissal was Carried.

Article 5, Line 115 (Board of Health Clerical). No Motion for reconsideration was made on Line 115.

MOTION made by Charles Levine for reconsideration of Article 5, Line 169 (Snow and Ice) and it was so VOTED.

MOTION made by Charles Levine that Article 5, Line 169 (Snow and Ice) be Amended to read \$40,000.00, and it was so VOTED.

MOTION made by Charles Levine for reconsideration of Article 5, Line 172 (Cemetery Division), and it was so VOTED.

MOTION made by Charles Levine that Article 5, Line 172 (Cemetery Division) be Amended to read \$3,000.00, and it was so VOTED.

MOTION made by Charles Levine for reconsideration of Article 5, Line 178 (Education, Millis Public Schools), and it was so VOTED.

MOTION made by Charles Levine that Article 5, Line 178 (Education, Millis Public Schools) be Amended to read \$4,064,015.00, and it was so VOTED.

No Motion for reconsideration was made on Article 20.

Article 50. To see if the Town will vote to appropriate and raise a sum of money to update the Town's Master Plan and to determine whether the money shall be raised by taxation, by transfer from available funds in the Treasury, by transfer from the Stabilization Fund, or by borrowing under Chapter 44 of the General Laws, or act in any manner relating thereto.

MOTION made by Charles Levine that the Town appropriate and raise by taxation the sum of \$500 00 to update the Conservation Open Space and Recreation segment of the Town's Master Plan and all grants received by the Conservation Commission for this segment may be used in addition to said appropriation, and it was so VOTED.

Article 51. To see if the Town will vote to amend the Zoning By-law by changing paragraph 4.0 under Section XIII, Special Permit Conditions, "B" MultiFamily Development, to paragraph 5.0, and adding the following new paragraph 4.0:

4.0. Bonus Provisions

Upon application, the Planning Board may permit additional dwelling units in the proposed multi-family development, provided that:

- (a) The otherwise allowable density not be exceeded by more than ten (10) percent.
- (b) such additional dwelling units are to be purchased by the Millis Housing Authority at the price at which the applicable state or other agency has committed funds for the purchase, for the purpose of meeting low and moderate income housing needs of the Town.
- (c) a purchase and sale agreement has theretofore been executed by the developer and the Millis Housing Authority with respect to such additional dwelling units.
- (d) such additional dwelling units are similar in character to other dwellings in the proposed multi-family development.
- (e) such additional dwelling units comply with the same requirements and regulations applicable to other dwelling units in the proposed multi-family development.
- (f) the Planning Board finds that the development meets all other conditions of this By-law.

The report of the Planning Board was read by the Moderator.

MOTION made by Mary Catherine Davis that the Town amend the zoning by-laws by changing paragraph 4.0 under Section XIII, Special Permit Conditions, "B" MultiFamily Development to paragraph 5.0 as detailed in Article 51 of the 1986 Annual Town Meeting.

The Voice Vote not being Unanimous, a standing vote was taken.

By rising count, "Yes" 268 - "No" 5, it was VOTED that the Town amend the zoning by-laws by changing paragraph 4.0 under Section XIII, Special Permit Conditions, "B" Multi-Family Development to paragraph 5.0 as detailed in Article 51 of the 1986 Annual Town Meeting.

Article 52. To see if the Town will vote to delete Section 5 under Article I of the By-laws which reads: "Five percent of the then legal voters shall constitute a quorum for the transaction of any business at any special town meeting except that a number less than a quorum may adjourn the same.", and substitute a new Section 5 as follows: "One hundred twenty-five (125) legal voters shall constitute a quorum for the transaction of any business at any special town meeting except that a number less than a quorum may adjourn same.", or act in any manner relating thereto.

MOTION made by John Menne that Article 52 be dismissed.

VOTED to dismiss Article 52.

Article 53. To see if the Town will vote to amend Section 2, Article VI, Appropriations, of its By-laws by substituting \$4,000 for \$2,000 wherever it appears in said Section 2, or act in any manner relating thereto.

VOTED that the Town amend Section 2, Article VI, Appropriations, of its By-laws by substituting \$3,000 for \$2,000, wherever it appears in said Section 2.

Article 54. To see if the Town will vote to amend Article VIII, Police Regulations, of its By-laws by adding a new section, Section 34:

No person shall use or operate a motor vehicle, trail bicycle, motor bicycle or similar motorized vehicle which is eligible for registration under Chapter 90B of the General Laws of the Commonwealth, or a snow vehicle or recreation vehicle as defined in Section 20 of said Chapter in any park or other Town owned property, except public roads and streets, without the prior written consent of the Town Board having the responsibility for the management of such property. Any such consent shall be temporary in nature, shall specify the period of time during which it is in force and shall only be granted where the proposed use or operation will not in the judgment of the Board granting the same be detrimental to the purpose for which such property is owner. Notwithstanding anything to the contrary hereinabove contained, parking areas established for use in connection with such park or such other public property may be used for parking purposes without prior consent.

No person shall use or operate any such vehicle on or over any private property within the limits of the Town without the written consent of the owner of such property.

Any person violating this By-law shall be punished by a fine of not less than five dollars nor more than fifty dollars.

or act in any manner relating thereto.

VOTED that the Town amend Article VIII, Police Regulations, of its By-laws by adding a new section, Section 34, as detailed in Article 54 of the 1986 Annual Town Meeting.

Article 55. To see if the Town will vote to transfer to the Board of Selectmen and to authorize the Board of Selectmen to sell and convey for one dollar to the Millis Housing Authority for construction of low and moderate income housing, any or all of the following parcels, as shown on Assessors Maps:

Map 19	Parcel 116	Daniels Street Van Kleeck Road	35,300 square feet
Map 30	Parcel 17	off Spring Street	54,968 square feet
Map 30	Parcel 18	off Spring Street	2.2 acres
Map 34	Parcel 38	Spencer/Pleasant Streets	4,800 square feet

Map 34	Parcel 39	Spencer/Pleasant Streets	8,022 square feet
Map 26	Parcel 7	Dover Road	25,900 square feet

or act in any manner relating thereto.

By rising count, "Yes" 243 - "No" 28, it was Voted that the Town transfer to the Board of Selectmen and authorize the Board of Selectmen to sell and convey for one dollar to the Millis Housing Authority for construction of low and moderate income housing, the following parcels as shown on Assessors Maps:

Map 19	Parcel 116	Daniel Street Van Kleeck Road	35,300 square feet
Map 30	Parcel 17	off Spring Street	54,968 square feet
Map 30	Parcel 18	off Spring Street	2.2 acres
Map 34	Parcel 38	Spencer Pleasant Streets	4,800 square feet
Map 34	Parcel 39	Spencer Pleasant Streets	8,022 square feet
Map 26	Parcel 7	Dover Road	25,900 square feet

Article 56. To see if the Town will vote to transfer from available funds in the Treasury a sum of money to pay unpaid bills incurred by the Town departments or act in any manner relating thereto.

MOTION made by Patricia Sjogren that Article 56 be dismissed.

VOTED to dismiss Article 56.

MOTION made by C. John Greco for reconsideration of Article 49.

After considerable discussion on this Motion, a MOTION was made by Joseph Felton to Move the Previous Question.

UNANIMOUSLY VOTED to Move the Previous Question.

By rising count, 'Yes' 142 - 'No' 155, the Motion for reconsideration of Article 49 was Not Carried.

Article 57. To see if the Town will vote to have the Moderator appoint a committee which shall report to the next Annual Town Meeting on whatever matter is assigned to it at this meeting, or on whatever matter or matters may be presented to it by Town officials through the Board of Selectmen prior to the next Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town have the Moderator appoint a committee which shall report to the next annual town meeting on whatever matter is assigned to it at this meeting, or on whatever matter or matters may be presented to it by Town officials through the Board of Selectmen prior to the next annual town meeting.

VOTED to adjourn sine die at 11:00 p.m., the business of the Warrant being completed.

George G. Ford
Town Clerk

SPECIAL TOWN MEETING

MILLIS, MASSACHUSETTS, MONDAY, NOVEMBER 17, 1986

A Special Town Meeting of the Town of Millis, Massachusetts was held in the George C. Roy auditorium of the Middle-Senior High School on Monday, November 17, 1986.

The Town Warrant calling this business meeting was signed by Selectmen Hindy Rosenfeld, Larry Schnicker and Gary Ouellette and was posted on October 31, 1986 by Helen Kubacki, Constable, in accordance with the By-laws of the Town of Millis.

Voting List Inspectors:

Lorraine Consoletti
Madelene Thumith
Rose Robinson
Carol Mushnick

Tellers appointed and sworn in by the Moderator:

Robert Bryant
Nicholas Morano
Thomas Murphy
James Neville

The Tellers were asked to take a count of the voters present. The count showed 275 voters in the hall. The quorum requirement being met the Moderator called the meeting to order at 7:45 p.m.

The Moderator stated there are two separate Special Town Meetings proposed for tonight. One consists of two articles which are of an enabling character. The Moderator also stated he will call the shorter Town Meeting first.

Before commencing with the meeting all persons present were asked to join in pledging allegiance to the flag.

MOTION made by Charles Levine, Chairman of the Finance Committee, that the reading of the Warrant and return of service thereof be omitted and it was so VOTED.

MOTION made by Charles Levine that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them by number and subject matter and it was so VOTED.

Article 1. To see if the Town will vote to accept Section Forty-First C of Section 5 of Chapter 59 of the Massachusetts General Laws, or act in any manner relating thereto.

VOTED that the Town accept Section Forty-First C of Section 5 of Chapter 59 of the Massachusetts General Laws.

Article 2. To see if the Town will vote to accept Section Seventeenth D of Section 5 of Chapter 59 of the General Laws, or act in any manner relating thereto.

VOTED that the Town accept Section Seventeenth D of Section 5 of Chapter 59 of the Massachusetts General Laws.

VOTED to adjourn sine die at 7:50 p.m., the business of the Warrant being completed.

George G. Ford
Town Clerk

SPECIAL TOWN MEETING

MILLIS, MASSACHUSETTS, MONDAY, NOVEMBER 17, 1986

A Special Town Meeting of the Town of Millis, Massachusetts was held in the George C. Roy auditorium of the Middle-Senior High School on Monday, November 17, 1986, and was called to order by the Moderator, John G. Dugan, at 7:51 p.m.

The Town Warrant calling this business meeting was signed by Selectmen Hindy Rosenfeld, Larry Schnicker and Gary Ouellette and was posted on October 23, 1986 by Michael H. Mushnick, Constable, in accordance with the By-laws of the Town of Millis.

Voting List Inspectors:

Lorraine Consoletti
Madelene Thumith
Rose Robinson
Carol Mushnick

Tellers appointed and sworn in by the Moderator:

Robert Bryant
Nicholas Morano
Thomas Murphy
James Neville

MOTION made by Charles Levine, Chairman of the Finance Committee, that the reading of the Warrant and return of service thereof be omitted and it was so VOTED.

MOTION made by Charles Levine that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them by number and subject matter and it was so VOTED.

Article 1. To see if the Town will vote to amend the zoning by-laws by making the following changes:

In "SECTION II DEFINITIONS", make the following changes:

delete: **"Mobil home:** A structure that is transportable in one or more sections, built on a permanent chassis, and designed to be used with or without a permanent foundation when connected to the required utilities. It does not include recreation vehicles or travel trailers."

and replace with:

"Manufactured home: A structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when connected to the required utilities. For flood plain management purposes the term 'manufactured home' also includes park trailers, travel trailers and other similar vehicles placed on a site for greater than 180 consecutive days. For insurance purposes the term 'manufactured home' does not include park trailers, travel trailers, and other similar vehicles.

delete: **"Mean Sea Level (MSL):** The mean surface water level determined by averaging all stages of the tide over a 19-year period, usually determined from hourly height observations along an open coast. Expressed in feet, references to National Geodetic Vertical Datum of 1929."

and replace with:

"Mean Sea Level (MSL): The mean marine surface water level observed over a specific 19-year metonic cycle (the National Tidal Datum Epoch), expressed

in feet, and referenced to National Geodetic Vertical Datum of 1929 (NGVD). For purposes of the National Flood Insurance Program 'mean sea level' means the NGVD to which base flood elevations shown on the Town of Millis, Massachusetts, Flood Insurance Rate Map are referenced.

delete: **"Start of Construction:** The first placement of permanent construction of a structure (other than a mobile home) on a site, such as the pouring of slabs or footings or any work beyond the stage of excavation. Permanent construction does not include land preparation, such as clearing, grading, and filling, nor does it include the installation of streets and or walkways; nor does it include excavation for a basement, footings, piers or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not as part of the main structure. For a structure (other than a mobile home) without a basement or poured footings, the 'start of construction' includes the first permanent framing or assembly of the structure or any part thereof on its piling or foundation."

and replace with:

"Start of Construction: Includes substantial improvement, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, placement, or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on a site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure."

delete: **"Habitable floor:** Any floor usable for living purposes, which includes working, sleeping, eating, cooking or recreation or a combination thereof. A floor used only for storage purposes is not a 'habitable floor'".

The following additional definitions shall be added to the zoning by-law and inserted in Section II in an alphabetical fashion:

"Lowest Floor: The lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access or storage, in an area other than a basement area, is not considered a building's lowest floor, provided that such enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirements of this ordinance."

"Manufactured home park or subdivision: A parcel or contiguous parcels of land divided into two or more manufactured home lots for rent, lease, or sale."

and in "SECTION XI SPECIAL FLOOD HAZARD DISTRICT", make the following changes:

delete Subsection A.6.a.(4) and replace with:

"(4) Within Zones A1 - A30, all manufactured homes and manufactured home parks shall be provided that:

- (a) the lowest floor of the manufactured home is at or above the base flood elevation and be securely anchored to an adequately anchored permanent foundation system in accordance with provisions of this Subsection;
- (b) stands or lots are elevated on compacted fill or on pilings so that the lowest floor of the manufactured home will be at or above the base flood level;
- (c) adequate surface drainage and access for a hauler are provided; and
- (d) in the instance of elevation on pilings, lots are large enough to permit steps, piling foundations are placed in stable soil no more than 10 feet apart, and reinforcement is provided for piers more than six feet above ground level.”,

and within Subsection A.6.a add the following to be inserted in a numerical fashion:

- “(20) Electrical, heating, ventilation, plumbing, and air-conditioning equipment and other service facilities shall be designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding.
- (21) For all new construction and substantial improvements, fully enclosed areas below the lowest floor that are subject to flooding shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. Designs for meeting this requirement must either be certified by a professional engineer or architect registered within the Commonwealth of Massachusetts or must meet or exceed the following minimum criteria: A minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, or other coverings or devices provided that they permit the automatic entry and exit of floodwaters.
- (22) The Special Permit Granting Authority shall obtain, review and reasonably utilize any base flood elevation and floodway data available from a Federal, State, or other source, as criteria for requiring that new construction, substantial improvements, or other development in Zone A meet the requirements of Paragraphs (1) through (4) above as contained within this Subsection and also the provision of Subsection A.3.a(1) of this Section,”

or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

MOTION made by Allen Gilpatrick, Finance Committee member, that the Town accept amendments to the Zoning By-laws by making the changes as detailed in Article 1 of the Special Town Meeting Warrant of November 17, 1986.

UNANIMOUSLY VOTED that the Town accept amendments to the Zoning By-laws by making the changes as detailed in Article 1 of the Special Town Meeting Warrant of November 17, 1986.

Article 2. To see if the Town will vote to amend the Zoning By-law by including Section XV Ground Water Protection District within the provisions of Paragraph B. Superimposed Zoning Districts and D. Boundaries of Districts of Section III; by renumbering Section XV to Section XVI and by adding a new Section XV as follows:

GROUND WATER PROTECTION DISTRICT

1. **Purpose**

- a. To protect, preserve and maintain the existing and potential groundwater supply and groundwater recharge areas within the known aquifers of the town.
- b. To preserve and protect present and potential sources of water supply for the public health and safety.
- c. To protect the groundwater and groundwater recharge areas of the town from adverse development of land use practices.

2. **Special Definitions** — The following definitions apply to specialized words or terms associated with this District.

- a. **Aquifer** - Geological formation composed of rock or sand and gravel that contains significant amounts of potentially producible potable water.
- b. **Area of Influence** - The area which experiences drawdown by a pumping well as plotted on a two-dimensional (map) surface, usually ellipsoidal in shape.
- c. **Cone-of-Depression** - A three-dimensional conical concavity produced in a water table by a pumping well.
- d. **Glacioluvial** - Pertaining to an unconsolidated geologic deposit which was formed by, or in association with, glacial saltwater streams, typically resulting in the deposition of sand and gravel-sized particles.
- e. **Glaciolacustrine** - Pertaining to an unconsolidated geologic deposit which was formed by, or in association with, a glacial lake environment typically resulting in the deposition of sand, silt and clay sized particles. References to such deposits within this by-law refer to the more coarse grained sediments such as would be associated with a delta.
- f. **Groundwater** - The subsurface water present in aquifers and recharge areas.
- g. **Impervious Surface** - Material on the ground that does not allow significant amounts of surface water to penetrate into the soil.
- h. **Leachable Wastes** - Waste materials including solid wastes, sludge and agricultural wastes that are capable of releasing water borne contaminants to the surrounding environment.
- i. **Mining of Land** - The removal of geologic materials such as topsoil, sand and gravel, metallic ores or bedrock.
- j. **Process Wastes** - Non-domestic, non-toxic, non-hazardous, liquid or solid waste by-products associated with the manufacture or preparation of a product, including, but not limited to, hardware, dry goods, foodstuffs and printed materials.
- k. **Recharge Areas** - Areas composed of permeable, porous materials that collect precipitation, or surface water and transmit it to aquifers.
- l. **Sanitary Waste** - Wastewaters arising from ordinary domestic water use as from toilets, sinks and bathing facilities, and containing such concentrations and types of pollutants as to be considered normal waste.
- m. **Saturated Thickness** - The depth of permeable soil actually saturated with water to the capacity of the soil to contain water under normal conditions of temperature and pressure.
- n. **Solid Wastes** - Any discarded solid material, putrescible or non-putrescible, consisting of all combustible and non-combustible solid material including, but not limited to, garbage and rubbish.
- o. **Toxic or Hazardous Materials** - Any substance or mixture of such physical, chemical or infectious characteristics in sufficient quantity as

to pose a significant actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this town. Toxic or hazardous materials include, without limitation, organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalines, pesticides, herbicides, solvents, thinners, including the 129 Priority Toxic Pollutants established by the U.S. Environmental Protection Agency.

- p. **Sub-Basin** - Land area drained by a river, brook, or intermittent stream as determined by the Mass DEQE Division of Water Supply (Water Supply Protection Atlas Handbook, 1982 Edition).

Whereas any special definition set out herein conflicts with any definition set out elsewhere in this By-Law, the definitions set out herein shall apply for the purposes of this section.

3. **Establishment and Description of Ground Water Protection District**

- a. The location and boundaries of the Ground Water Protection District (GWPD) are established as shown on the Zoning Map of the Town of Millis and consist of:

GWPD — Zone A — all aquifers

GWPD — Zone B — the Charles River CH-64 sub-basin

GWPD — Zone C — watershed areas.

- b. The geographical extent of GWPD — Zone A is determined by the official overlays of the *Commonwealth of Massachusetts Aquifers* as prepared by the Massachusetts Department of Environmental Quality Engineering (DEQE) and the United States Geological Survey (USGS).
- c. The geographical extent of GWPD — Zone B is determined by the official overlays of the *Charles River Sub-Basin CH-64* as prepared by the DEQE and the USGS.
- d. The geographical extent of GWPD — Zone C is determined by, and identical to, the *Watershed Protection District* as shown on the Zoning Map of the Town of Millis and as set out in Section X of this By-Law.
- e. Prior to any activity, which would be a violation of this section, being undertaken on any premises it is the responsibility of the owner to determine if the premises are within the GWPD. At the request of the owner the Town may engage a professional Hydrogeologist or other soil scientist at the expense of the owner to make that determination.
- f. When a Groundwater Protection District boundary crosses a property line, the following shall apply:

If 50% or more of the property is within the Groundwater Protection Zone, then all of the property shall be considered to be in the Groundwater Protection Zone.

If less than 50% of the property is within the zone, then all of the property shall be considered to be out of the Groundwater Protection Zone.

4. **Special Use Regulations**

- a. The GWPD is superimposed over any other district established by this By-Law. Only those uses specifically allowed by these Special Use Regulations and also allowed in the underlying district by other provisions of this By-Law are permitted in a GWPD zone.

- b. **Permitted in Zone A**
 - i. **Livestock pasturing, haying, gardening, nursery, conservation and forestry on the following conditions:**
 - (a) fertilizers, herbicides, pesticides and leachable wastes shall not be stored outdoors or in any manner which permits leaking or leaching;
 - (b) if fertilizers, pesticides, herbicides or other potential contaminants are applied, upon direction or order from the Millis Board of Health ground water quality monitor test wells shall be installed and sampled at the expense of the owner or user of the premises. The wells shall be designed and located by a professional geologist, hydrologist, or professional engineer trained and experienced in hydrogeology and sampling shall be conducted by an agent of the Millis Board of Health.
 - ii **Public utilities designed and maintained so as to prevent ground-water contamination.**
 - iii **Residential Development of single family dwellings on the following conditions:**
 - (a) minimum lot size shall be 80,000 square feet,
 - (b) no more than 5 per cent of the building lot shall be rendered impervious,
 - (c) on-site domestic sewerage disposal shall not exceed 55 gallons per day per 10,000 square feet of lot area.
 - iv. **Commercial and Industrial Development on the following conditions:**
 - (a) commercial development shall be limited to retail shopping and business or professional offices,
 - (b) industrial development shall be limited to storage of non-toxic, non-hazardous materials,
 - (c) minimum lot size shall be 80,000 square feet
 - (d) no more than 20 per cent of the building lot shall be rendered impervious,
 - (e) run-off from roofs parking lots and other paved areas shall be recharged on-site,
 - (f) run-off from parking lots and driveways shall be discharged to oil/gas catch basins with appropriate sumps prior to recharge,
 - (g) on site sewerage disposal shall not exceed 55 gallons per day per 10,000 square fee of lot area.
- c. **Permitted in Zone B**
 - i. **All uses permitted in Zone A.**
 - ii. **Residential Development of single family dwellings on the following conditions:**
 - (a) minimum lot size shall be 40,000 square feet,
 - (b) no more than 10 per cent of the building lot shall be rendered impervious.
 - (c) on-site domestic sewerage disposal shall not exceed 110 gallons per day per 10,000 square feet of lot area.
 - iii. **Commercial and Industrial Development on the following conditions:**
 - (a) commercial development shall be limited to storage of non-toxic, non-hazardous materials,
 - (c) minimum lot size shall be 40,000 square feet,

- (d) no more than 40 per cent of the building lot shall be rendered impervious,
 - (e) run-off from roofs, parking lots and other paved areas shall be recharged on-site,
 - (f) run-off from parking lots and driveways shall be discharged to oil gas catch basins with appropriate sumps prior to recharge,
 - (g) on-site sewerage disposal shall not exceed 110 gallons per day per 10,000 square feet of lot area.
- d. **Permitted in Zone C.**
- i. All uses permitted in Zone B.
 - ii All uses permitted in any underlying district subject to the condition that run-off waters from constructed impervious surfaces shall be treated to remove any materials that are prohibited by this section or any other law or regulation, if necessary, and discharged to the ground water system.

5. **Special Prohibitions**

a. **Prohibited in Zone A:**

- i. Disposal by any means of any waste material, solid or liquid, other than domestic sanitary wastes;
- ii. Outdoor or underground storage of leachable, potentially noxious materials including but not limited to chemicals, fertilizers, manure, petroleum products, road salt, and de-icing compounds;
- iii. Uses which, as part of normal operating or maintenance procedures, would involve the application, transfer, storage or use of toxic or hazardous materials;
- iv. Any use or application of toxic or hazardous materials, even in small application or as accessory to a nonrelated practice;
- v. The commercial mining of land;
- vi. Current approved legal use is exempted until January 1, 1991.

b. **Prohibited in Zone B:**

- i. Disposal of solid waste, other than brush and stumps;
- ii. the disposal of domestic or liquid or leachable wastes other than sanitary domestic waste or innocuous process wastes;
- iii. Storage of road salt or de-icing compounds, except as specified in a.vi.
- iv. Automotive service and repair shops, junk and salvage yards;
- v. Car washes;
- vi. Dry cleaning establishments;
- vii. Metal plating or etching;
- viii. Chemical and bacteriological laboratories;
- ix. Any other use which involves as a principal or accessory activity the manufacture, storage, use, transportation or disposal of toxic or hazardous materials.

c. **Prohibited in Zone C:**

- i. Disposal of solid wastes other than brush and stumps;
- ii. Storage of road salt or de-icing compounds;
- iii. Any use which involves as a principal activity the manufacture, storage, use, transportation or disposal of toxic or hazardous materials.

6. Uses By Special Permit Only

- a. The following uses are allowed by a Special Permit from the Millis Board of Appeals (SBA) only if they comply with the Special Prohibitions of this section and all other provisions of this Zoning By-Law:

1. In Zone A:

- (a) any use involving retention of less than 50 percent of a lot area in its natural state on condition that there be no more than minor removal of existing trees and ground vegetation;
- (b) mining of land for on-site use only;
- (c) expansion of existing nonconforming uses to the extent otherwise allowed by this By-Law;
- (d) uses requiring greater impervious cover than that provided in this section on condition that the additional run-off be properly recharged to the site and further provided that no more than 20 percent of the lot area be rendered impervious.

2. In Zone B:

- (a) Any use involving retention of less than 30 percent of a lot area in its natural state on condition that there be not more than minor removal of existing trees and ground vegetation;
- (b) any use, other than a single family dwelling, with on-site dwelling, with on-site sewerage disposal exceeding 110 gallons per day per 10,000 square feet of lot area, provided, however, that no special permit shall allow disposal of more than 15,000 gallons of sewerage on-site per day regardless of lot size;
- (c) expansion of any existing or non-conforming uses to the extent allowed in the underlying district provided that the SBA finds that such expansion shall not be substantially more detrimental to the water supply than the existing use or render impervious more than 40 percent of the lot area.

3. In Zone C:

- (a) expansion of any existing or non-conforming uses to the extent otherwise allowed by the Millis zoning by-laws;
- (b) uses requiring greater impervious cover than that provided in this section provided that no more than 40 percent be rendered impervious.

7. Special Procedures

- a. Applications for special permits under this section shall be accompanied by 7 copies of a site plan detailing all existing and proposed construction as well as parking spaces, driveway openings, driveways, service areas, other open uses, all facilities for sewage, refuse and other waste disposal, for surface water drainage, and all landscape features such as fences, walls, planting areas and walks.
- b. Said applications shall be submitted in accordance with the special permit section of the existing zoning by-laws.
- c. Within ten days of receipt the Board of Appeal shall transmit copies of the site plan to the Board of Health, Building Inspector, Planning Board, Conservation Commission and Board of Public Works for their review and recommendations. All engineering related recommendations must be certified by the Planning Board engineers as to workability including but not limited to runoff being properly recharged, percent of lot rendered impervious, that proposed expansion shall not be more detrimental to water supply and the degree of threat to water quality if control measures

fail. Failure of Boards to respond to the Board of Appeal within 35 days shall indicate approval of such Boards. The Board of Appeal shall not take action on the application for special permit until recommendations have been received from the aforementioned boards or 35 days have passed.

8. Private residential lots smaller than 40,000 square feet are exempt from the provisions of this by-law.

or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

Mr. John Menne stated that the Finance Committee supports the need for ground water protection and defers this to the Planning Board for a Motion and Amendments.

MOTION made by C. John Greco, Planning Board Chairman, that the Town vote to amend the Zoning By-Law by including Section XV Ground Water Protection District within the provisions of Paragraph B. Superimposed Zoning Districts and D. Boundaries of Districts of Section III, by renumbering Section XI to Section XVI and by adding a new Section XV.

A Presentation was made by Laurence Magner, Chairman of the Ground Water Protection Committee.

MOTION made by C. John Greco, Planning Board Chairman, to amend Section 3, Establishment and Description of Ground Water Protection District, paragraph (c) by adding in the first sentence after the word "within" the words "Zones A, B, or C of the" so that the sentence will read, "Prior to any activity, which would be a violation of this section, being undertaken on any premises it is the responsibility of the owner to determine if the premises are within Zones A, B, or C of the GWPD", and it was so VOTED.

MOTION made by C. John Greco to amend Section 3, Establishment and Description of Ground Water Protection District, paragraph (c) by inserting in the second sentence after the word "Town" in parenthesis the words "Planning Board" and changing the word "may" to "shall", so that the sentence will read, "At the request of the owner the Town (Planning Board) shall engage a professional Hydrogeologist or other soil scientist at the expense of the owner to make that determination.", and it was so VOTED.

MOTION made by Thomas Healy, Planning Board member, to amend Section 4, Special Use Regulations, paragraph (b.i.b.i) by adding at the end of the paragraph the following: "For purpose of applicability this sub-section will not apply to normal home and non-commercial uses.", and it was so VOTED.

MOTION made by Thomas Healy to amend Section 4, Special Use Regulations, paragraph (b.i.b) by deleting in the first sentence everything after the word "installed" and adding in its place the words "and the groundwater be sampled and analyzed at the expense of the owner or user of the premises", and it was so VOTED.

MOTION made by Thomas Healy to amend Section 4, Special Use Regulations, paragraph (b.iii.b.) by changing the "5 percent" to read "10 percent", and it was so VOTED.

MOTION made by C. John Greco to amend Section 4, Special Use Regulations, paragraph (c.iii.) to read, "Commercial and Industrial Development shall be allowed to the extent otherwise allowed in the Millis Zoning By-law on the following conditions:", and it was so VOTED.

MOTION made by C. John Greco to amend Section 4, Special Use Regulations, paragraph (c.iii.b.) to read, "Industrial storage shall be limited to non-toxic and non-hazardous materials.", and it was so VOTED.

MOTION made by Thomas Healy to amend Section 4, Special Use Regulations, paragraph (c.iii.d.) to read, "no more than 50 percent of the building lot shall be rendered impervious.", and it was so VOTED.

MOTION made by Thomas Healy to amend Section 5, Special Prohibitions, paragraph (a.i.) to add at the end of the paragraph the following: "Burial of stumps and brush will be permitted to the extent that they originate on the property.", and it was so VOTED.

MOTION made by Thomas Healy to amend Section 5, Special Prohibitions, paragraph (a.iii.) by adding after the words "hazardous materials" the following: "This sub-section will not apply to fuel oil used for the purpose of on-premise heating of homes and structures or for fuels used in the operation of the residents' vehicles.", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Uses by Special Permit, paragraph (a.) by deleting after the word "uses" the word "are" and adding the words "shall be" and in the third line changing the word "prohibitions" to "provisions", so that the paragraph will read, "The following uses shall be allowed by special permit from the Millis Board of Appeal (SBA) only if they comply with the special provisions of this section and all other provisions of the Millis zoning by-laws:", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Special Use Regulations, paragraph (a.1.c.) by changing the word "existing" to "pre-existing", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Special Use Regulations, paragraph (a.1.d.) by eliminating everything after the word "site", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Special Use Regulations, paragraph (a.2.b.) by changing "existing" to "pre-existing" and deleting the word "or", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Special Use Regulations, paragraph (a.2.c.) by deleting everything after the word "provided" and adding the following: "in this section on condition that the additional runoff be properly recharged to the site.", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Special Use Regulations, paragraph (a.3.a.) by changing the word "existing" to "pre-existing" and deleting the word "or", and it was so VOTED.

MOTION made by C. John Greco to amend Section 6, Special Use Regulations, paragraph (a.3.b.) by deleting everything after the word "section" and adding the following: "on condition that the additional runoff be properly recharged to the site", and it was so VOTED.

MOTION made by C. John Greco to amend Section 7, paragraph (a.) by adding after the word "walks" the following: "Applications under this section shall also be accompanied by 7 copies of a hydrogeological report which shall be based on the one-hundred year total precipitation average for the appropriate groundwater protection zone in question showing that no less than fifty percent (50%) of the total yearly precipitation that falls on the lot in question will be successfully captured, stored, cleaned of all contaminants (including, but not limited to, biological and chemical contaminants) and recharged to the underlying groundwater system.", and it was so VOTED.

MOTION made by Thomas Healy to amend Section 7, paragraph (c.) in the second sentence by adding after the word "plan" the words "and hydrogeological report", and it was so VOTED.

It was UNANIMOUSLY VOTED to amend the Zoning By-law by including Section XV Ground Water Protection District within the provisions of Paragraph B. Superimpos-

ed Zoning Districts and D. Boundaries of Districts of Section III; by renumbering Section XV to Section XVI and by adding a new Section XV, as amended.

Article 3. To see if the Town will vote to have the Moderator appoint a permanent Ground Water Protection Advisory Committee consisting of the following appointed members; a representative from the Board of Selectmen, a representative from the Board of Public Works, a representative from the Board of Health, a representative from the Zoning Board of Appeals, a representative from the Conservation Commission, a representative from the Planning Board, a representative from the Industrial Development Commission, the Hazardous Waste Coordinator, the Metropolitan Area Planning Council representative, and three Town citizens all of whose function will be to monitor advances in Ground Water Protection Technology, to advise other Town boards vis-a-vis Ground Water Protection, to review and, if advisable, to make recommendations vis-a-vis Ground Water Protection rules and regulations, or act in any manner relating thereto.

VOTED that the Town have the Moderator appoint a permanent Ground Water Protection Advisory Committee consisting of the following appointed members; a representative from the Board of Selectmen, a representative from the Board of Public Works, a representative from the Board of Health, a representative from the Zoning Board of Appeals, a representative from the Conservation Commission, a representative from the Planning Board, a representative from the Industrial Development Commission, the Hazardous Waste Coordinator, the Metropolitan Area Planning Council representative, and three Town citizens all of whose function will be to monitor advances in Ground Water Protection Technology, to advise other Town boards vis-a-vis Ground Water Protection, to review and, if advisable, to make recommendations vis-a-vis Ground Water Protection rules and regulations.

Article 4. To see if the Town will vote to transfer from surplus revenue or other available funds \$50,000 for a comprehensive Ground Water Protection Review Study to be performed by an organization which specializes in such studies, or act in any manner relating thereto.

MOTION made by Mary Catherine Davis, Finance Committee member, that Article 4 be dismissed.

VOTED to dismiss Article 4.

Article 5. To see if the Town will vote to transfer from surplus revenue or other available funds a sum of money to purchase carpeting for the adult section of the Library, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$3,400.00 to purchase carpeting for the adult section of the Library.

Article 6. To see if the Town will vote to transfer from surplus revenue or other available funds a sum of money to purchase a new burner for the heating system at the Rockville Fire Station, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$550.00 to purchase a new burner for the heating system at the Rockville Fire Station.

Article 7. To see if the Town will vote to transfer from surplus revenue or other available funds a sum of money to furnish materials and labor necessary for the completion of a combination burglar and fire alarm system for the Rockville Fire Station, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$2,329.00 to furnish materials and labor necessary for the completion of a combination burglar and fire alarm system for the Rockville Fire Station.

Article 8. To see if the Town will vote to transfer from available funds a sum of money for the Town's share of Federal Medicare coverage, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$10,000.00 for the Town's share of Federal Medicare coverage.

Article 9. To see if the Town will vote to accept an equal education opportunity grant for fiscal year 1987 in the amount of \$69,293.00, under the provisions of General Laws Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985. Said grant shall be expended by the Tri-County Regional School District Committee for direct service expenditures, or act in any manner relating thereto.

VOTED that the Town accept an equal education opportunity grant for fiscal year 1987 in the amount of \$69,293.00, under the provisions of General Laws Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985, said grant to be expended by the Tri-County Regional School District Committee for direct service expenditures.

Article 10. To see if the Town will vote to remand the care and maintenance of the Oak Grove Farmhouse from the Board of Public Works to the Millis Historical Commission, who will in accordance with Chapter 40 - 8D of the General Laws manage said structure in the name of the Town, or act in any manner relating thereto.

MOTION made by Anthony Riccuito, Finance Committee member, that the Town remand the care and maintenance of the Oak Grove Farmhouse from the Board of Public Works to the Millis Historical Commission, who will in accordance with Chapter 40, Section 8D of the General Laws manage said structure in the name of the Town and authorize the Board of Selectmen to petition the Legislature to take the structure out of Park purposes and place the structure under the care of the Millis Historical Commission in accordance with Chapter 40, Section 8D of the General Laws.

After considerable discussion on this Motion, a MOTION was made to Move the Previous Question.

UNANIMOUSLY VOTED to Move the Previous Question.

UNANIMOUSLY VOTED that the Town remand the care and maintenance of the Oak Grove Farmhouse from the Board of Public Works to the Millis Historical Commission, who will in accordance with Chapter 40, Section 8D of the General Laws manage said structure in the name of the Town and authorize the Board of Selectmen to petition the Legislature to take the structure out of Park purposes and place the structure under the care of the Millis Historical Commission in accordance with Chapter 40, Section 8D of the General Laws.

Article 11. To see if the Town will vote to transfer from surplus revenue or other available funds a sum of money for the purpose of renovating the wing of the Oak Grove Farmhouse on Exchange Street to a standard satisfactory for obtaining a certificate of limited occupancy from the Town Building Inspector, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$28,500.00 for the purpose of renovating the wing of the Oak Grove Farmhouse on Exchange Street to a standard satisfactory for obtaining a certificate of limited occupancy from the Town Building Inspector.

Article 12. To see if the Town will vote to transfer from surplus revenue or other available funds the sum of \$1500 to be used by the Oak Grove Farm Study Committee to continue the study relative to reporting on present and future uses of the Oak Grove Farm, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$1,500.00 to be used by the Oak Grove Farm Study Committee to continue the study relative to reporting on present and future uses of the Oak Grove Farm.

Article 13. To see if the Town will vote to transfer from surplus revenue or other available funds in Treasury a sum of money to pay unpaid bills of prior years incurred by Town departments, or act in any manner relating thereto.

VOTED that the Town transfer from surplus revenue the sum of \$1,584.28 to pay the following unpaid bills from prior years incurred by Town departments:

Longevity/Head Librarian	325.00
Police medical expense	703.87
Library expense	348.07
Tax Collector wages from fees	207.34

Article 14. To see if the Town will vote to adopt amendments to Schedule A Classification Plan, Schedule B Salary Plan, Schedule C, Employee Benefits, Schedule D Personnel Policies and Procedures, as outlined in the Personnel Committee Report which is attached, or act in any manner relating thereto.

The Moderator announced that any amendments to the Personnel Plan as presented under Article 14 may only be adopted at an Annual Town Meeting.

MOTION made by Patricia Sjogren that Article 14 be dismissed. VOTED to dismiss Article 14.

Article 15. To see if the Town will vote to transfer a sum of money from surplus revenue or other available funds to meet the additional expenses of the current fiscal year not sufficiently funded under Article 5 of the 1986 Annual Town Meeting, or act in any manner relating thereto.

VOTED that the Town meet the additional expense of the current fiscal year not sufficiently funded under Article 5 of the 1986 Annual Town Meeting by transferring the sum of \$2,000.00 from Line 113 - Agents wages to Line 118 Contracts Engineering under the Board of Health budget; by transfer from surplus revenue the sum of \$42,766.00 to be distributed to the following accounts:

Line Item 10 - Banking Services	\$ 4,500.00
Line Item 12 - Tax Collector wages from fees	5,000.00
Line Item 47 - Personnel Committee Clerical	615.00
Line Item 53 - Town Building	
Special Expenditures	375.00
Line Item 65 - Appeal Board Clerical	500.00
Line Item 66 - Appeal Board Expense	750.00
Line Item 114 - Board of Health Nurses wages	1,000.00
Line Item 162 - Public Works General Overtime	5,000.00
Line Item 181 - Head Librarian Salary	26.00
Line Item 191 - General Insurance	25,000.00

VOTED to adjourn sine die at 9:30 p.m., the business of the Warrant being completed.

Town Clerk

BIRTHS RECORDED IN MILLIS - 1986

Date	Name	Parents

BOARD OF SELECTMEN

GARY OUELLETTE

HINDY ROSENFELD

LARRY SCHNICKER

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen organized on May 8, 1986 with Hindy Rosenfeld as Chairman, Larry Schnicker as Vice Chairman and Gary Ouellette as Clerk.

The Annual Town Meeting held on May 12, and recessed to May 13 and 19, voted a parcel of land on Van Kleeck Road for low and moderate income housing. The parcel voted was to be the resolution of a three-year search for such a site that would meet the approval of Millis Voters and the Executive Office of Communities & Development. It would also, therefore, lift executive order citations against the Town by allowing discretionary grants.

The parcel voted was under water restriction still awaiting approval from DEQE, when an alternative site was brought to the attention of the Housing Authority by Bob Healy. The site, on Daniels Street, held five partially constructed multi-family units that were subsequently approved by EOCD, if five or more units could be added to the site to make a total of ten units.

Permit requirements for the Daniels Street site became the purview of the Zoning Board of Appeals, who held a series of hearings prior to making a decision, which ultimately permitted the use of the Daniels Street site. The ZBA decision also permitted the additional five units, with restrictions.

Five of the units are completed and occupied by Millis families, and the completion date of the additional five units is fast approaching.

During 1986 we were fortunate to have the services of MCI-Bay State, who painted the exterior of the Town Office building and the interior of Niagara Hall and the Library. Another group from Walpole did interior repairs at the Police Station. This program is particularly cost effective to Millis, since we pay only for materials used, and lunches. The work is commendable and there is no labor charge.

Once again, solid waste disposal and alternatives have been priority items for discussion in 1986. No legislation for enactment of a comprehensive plan to address the state's solid waste problems took place. Towns continue to express their frustration over the lack of a clear statewide plan. Millis' landfill, with an estimated closing date of December, 1988, needed more immediate attention. The Board of Public Works asked that a large piece of equipment for better compacting at the landfill be voted at Town Meeting. With longer daily use of the heavier machine than the contract allowed, in operation, we may have gained some valuable time at our landfill. In December, the Selectmen signed a tentative agreement with a resource recovery facility in Millbury, that would have to be ratified by a Town Meeting vote. Reasons for hesitation at this time: we will be tied into a twenty year contract that will be costly; we may have more time at our landfill which will be determined by the state prior to Town Meeting; we are hopeful that state legislation will recognize the towns' problems with funding solid waste disposal; and regionalization of towns may offer solutions to our problems. These situations, in process, could present alternatives, in time.

The tax rate for this past year was set at \$21.70. Although the tax rate has decreased annually, people's payments remain pretty much the same due to higher evaluations. Proposition 2½ expenditure allowances each year do not even cover our cost of living increases for Town employees. New growth and additional local aid help somewhat, but certainly do not cover our needs. It's a constant tug of war to maintain services and live within our budgets, and we are feeling a tremendous strain.

One of our historical landmarks, the Van Kleeck House, later known as the Holiday Shop, was sold and is going to be restored as a restaurant and office building. ZBA approval of the project, with restrictions, was granted. Restoration is going to be in keeping with the original structure and interior for historical preservation. The house was built

in the late 1800's on Lansing Millis' property, for his daughter Helen Van Kleeck. Sale of the property did not attract buyers for use as a single home dwelling, but its intended use will keep the historical aspect of the Van Kleeck House intact.

Ongoing grants for sewer and water projects help us to maintain and expand our services and programs. Other grants allowed us a by-law review, an insurance analysis consultant and an outreach worker for the Council on Aging.

An update and review of our existing by-laws has been completed by Town Counsel Charles Fuller, who spent many hours on the task. Town Counsel has proposed that, when feasible, a suitable program for the Town computer be set up by Town officials and departments to keep by-laws and rules and regulations continually updated. He further recommends that an appropriate Town employee be designated to monitor such items so that revisions will go into the Town's computer system.

In October, we were informed that our 1985 Centennial Town Report won first prize statewide in its category of towns with a population of 5,000 to 8,000. The report, almost double the page size of previous reports, contained early history and drawings, and 137 pages of "All of the doings of the Centennial". 110 Centennial pictures were also included. We were sure we had a winner all along, but it was nice to know that the state concurred by awarding us a "First".

The Massachusetts Municipal Association's Field Services Division was selected to conduct a study of the Police Department which got underway in October. It is hoped that an independent, outside evaluation of the department will define ongoing problems and offer recommendations for their solution.

A November 17 Special Town Meeting voted a ground water protection plan that had been under consideration and discussion for some time. The plan would safeguard our water resources in the future.

In December, Bernard Lewis, a resident of Lewis Drive, Millis, presented the Board of Selectmen with a deed to 2.1 acres of land on the Southeasterly side of Ryan Road in Lakeshore Estates near the Millis-Medway Town Line on Village Street. The land borders the Charles River and allows access to the river, which will afford future use of the area by our townspeople.

Volunteer programs continue to be the mainstay of projects undertaken by organizations and citizens. We are grateful to the Lions Club, the Oak Tree League and Boy Scout and Girl Scout groups for their civic and beautification programs for Millis.

Negotiations for four departments, handled by the Board of Selectmen, and liaison affiliations to many in and out-of-Town Boards continue to keep members of the Board of Selectmen far busier than the part-time designation the position implies. Additionally, their regularly scheduled meetings and occasionally scheduled special meetings contribute to the long hours spent in the Selectmen's Office. The complexities of matters under the jurisdiction of the Selectmen and their willingness to be available to citizens' input and complaints keep them busy continuously.

Our computer program setup has been under the direction of Administrative Assistant Jackie Anderson, designated System Manager. The Town's IBM 5362 system with terminals for eight offices located in four separate buildings has been installed and is operating under her direction. Barbara Bryant, System Operator, is responsible for the overall operation of the system. The Town's payroll was the first program to be put into operation. General Ledger, the next program, under the supervision of Town Accountant Caroline Price, is in operation. Utility billings have been generated from the Town Office, and tax bills will soon follow, rather than relying on an outside service bureau. The budgeting program is on-line, and the Town Clerk's office has implemented the census voter registration program.

The successful planning, installation and operation of the computer have been realized by a cooperative effort by Town employees. We reap the benefits and take pride in their accomplishments.

The Oak Grove Farm Committee has been working with the Historical Commission toward restoring an ell in the farmhouse that will house a caretaker for the property. the work is being done by Tri-County students with a completion date of June, 1988. The Committee has put the care of the farmhouse under the jurisdiction of the Historical Commission, approved by the DPW and the Selectmen, and is now awaiting legislative approval of that action. The Oak Grove Farm Committee has further plans for a land use study.

It is difficult to consolidate in one annual report all that comes before the Board of Selectmen in the course of a year. With endless situations and problems, restrictions imposed by mandates, and public demands and expectations, the Board spends long hours on the task of how best to administer the office effectively, and will continue to do so.

Respectfully submitted,

Respectfully submitted,

Respectfully submitted,

Hindy Rosenfeld, Chairman

Larry E. Schnicker, Vice Chairman

Gary J. Ouellette, Clerk

CONTRACTS BID AND AWARDED BY THE BOARD OF SELECTMEN DURING 1986

Insurance-hospital, medical, surgical-Blue Cross/Blue Shield, Brockton, MA, only bidder, coverage for July 1, 1986 to July 1, 1987, under Chapter 32B of the General Laws: individual, \$125.61; family, \$312.10; O.M.E. individual, \$57.68 per month. Life, accidental and dismemberment awarded to Boston Mutual Life Insurance Co., Boston, MA to July 1, 1987, \$.50 per thousand dollars, limit \$5,000 insurance per employee. The Town pays one-half of the insurance premiums.

REPORT OF THE COUNCIL ON AGING

The Council on Aging is a seven-member board appointed by the Board of Selectmen. The Council currently meets the second Wednesday of each month at the Kennedy Terrace Recreation Hall. The MA General Laws established COA's as the community network to design, promote, implement and coordinate programs/ services meeting the needs of an age specific group of residents. Age sixty is the arbitrary age consistently chosen across the Commonwealth as the youngest eligible for services from the COA's.

The primary goal for the Millis COA has been to maintain and improve the quality of life of its older residents. This year, 1986, has been a year of progress toward this goal. Greater visibility, one-to-one contacts and expansion of programs and resources have been realized. We were recipients of a competitive, state discretionary grant through the Executive Office of Elder Affairs for a part-time Outreach Program. This new staff member provided assistance, information referrals and advocacy to 32 individual residents during the first four months of employment. Also, a part-time Director was approved at Town Meeting. This staff member arranges and administers programs at the Senior Center in addition to administrative duties for the Council.

Although the COA has been unable to attain its goal of a permanent 'Home Site' for its Senior Center and Meals Program, the Council has moved forward. Great strides have been made, thanks to the many Townspeople and the many groups who have aided us in our 'Reach For The Stars.' The number of the age 60& citizens has steadily increased; more services, more educational seminars and programs have been offered; and more individual outreach services have been extended in our community. Nonetheless, we are challenged by the future and wish to do more. One goal for the coming year will be arranging intergenerational programs.

Before embarking on the statistical data, some acknowledgements are in order. Special thanks for 1986 go out to: the Wardens and congregation of St. Paul's Episcopal Church who have so generously offered space for our Senior Center and Meals programs; the Millis Belles who gave the financial support needed for our annual dinner; and, the many committed volunteers who have given of themselves, delivering hot meals, assisting at the Friendly Meals, transporting to medical appointments, answering the phone, providing peer support, arranging social and shopping trips, preparing our newsletter, computer programming and running our newsletter labels, organizing commodity food distributions and other incidental volunteers too numerous to include. We much appreciate the services you have rendered to us and the citizens of Millis. This would not have been a year of such progress without your assistance.

REPORT OF THE ZONING BOARD OF APPEAL

Davna Corporation — granted depth variances for lots 11 and 12; denied lots 6, 7 and 10, Walnut Street subdivision

Helen Kubacki — granted annual renewal for home occupation, 22 Middlesex Street

MacDougall, Barry and Diana — denied side line and depth variance for property at 284 Exchange Street and 333 Union Street

Keith, James and Marion — granted use variance to allow mother-in-law apartment, 4 Ridge Street

Sacchetine, David and Sheri — allowed use variance for auto repair shop in industrial zone, 34 Adams Street

Davna Corporation — allowed withdrawal without prejudice, 71 Spencer Street

MacGregor, Elaine — denied variances for area requirements for additional apartments, 163 Curve Street

RMP Associates — allowed withdrawal without prejudice, 425 Union Street

Collins, Daniel C., Jr. — allowed withdrawal without prejudice, Parcel 126 Pleasant Street

Engelhard Millis — granted special permit for office trailer (2 years), 140 Dover Road

Fiatrone, James — granted depth variance for 2 car garage, 112 Dover Road

Postizzi, John and Diane — granted side line variance for garage addition, 33 Bullard Lane

Cellucci, Charles — granted side line variance for 2 car garage, 22 Ticonderoga Lane

Acorn Investment Trust — allowed withdrawal without prejudice, 6-14 Daniels Street

Schulz, Robert — granted rear set back variance for garage, 10 Cottage Avenue

Pitts, Wayne — granted rear set back variance for deck, 6 Hilltop Drive

Ronca, William — granted 11' front yard variance, denied 5' side yard variance; denied Watershed Protection change, 55 Ridge Street

Shell Oil Company — granted front set back variance for pump islands canopy, 857 Main and Plain Street

Eastman Realty Trust — granted variance for professional office building, 625 Main Street

Barnes, Bruce and Sandra — allowed withdrawal without prejudice, 4 Walnut Street

Roach Building Company — allowed variances to allow restaurant and offices, 270 Exchange Street

Magner, Laurence — denied side line variance for tool shed, 330 Plain Street

Kerwin, Edwin, Jr. — granted variance for interior renovation for fourth apartment, 12-14 Exchange Street

Bremner, Gary — granted variance for commercial use in industrial zone, 1367 Main Street

Millis Housing Authority — granted comprehensive permit for low income housing, 6-14 Daniels Street

Curley, William and Kathy — granted annual renewal for home occupation, 7 Hilltop Drive

Mahoney, Paul and Marybeth — granted side line variance for addition, 46 Ticonderoga Lane

Eastman Realty Trust — denied variance for sign extended above roof line, 625 Main Street

Whitaker, Russell — granted side line variance for addition, 21 Clewes Road

Santos, Robert — granted use variance for construction of mini storage building, 30 Farm Street

MacDougall, Barry and Diane — denied special permit for depth requirements, 284 Exchange Street, 333 Union Street

Regan, Daniel and Johanna — amended past variance of frontage requirements, 364 Union Street

Cordell, Lotte — allowed withdrawal without prejudice, 1375 Main Street

Germano, Paul — granted variance for garage to close to main structure, 34 Turner Street

Picklesimer, Dorman and Claudette — granted annual renewal for special permit for horses, 183 Farm Street

Nealand, Gregory — granted a side line variance for addition, 115 Acorn Street

Dmytryck, Sally — granted annual special permit renewal, 1275 Main Street

Collins, Daniel C., Jr. — granted frontage variance for property with right of way on Spring Street

John J. Lyons

REPORT OF THE BY-LAW REVIEW COMMITTEE

The Millis Town Charter requires that Town Moderator appoint a special committee every five years to review the by-laws of the Town and, if necessary, to propose revisions of the by-laws at the Annual Town Meeting. This provision for continuing review of the by-laws reminds the Town to make careful and thoughtful amendments that best serve the present and future citizens of Millis.

The By-Law Review Committee was appointed in May, 1986. Given the seven-month time frame, the members of the Committee decided to limit its review to the general Town by-laws. This would ensure that a careful and complete study would be done.

Zoning by-laws and the Personnel Administration Plan were not within the scope of work. However, the Committee suggests that the Moderator appoint a special committee to review these important by-laws.

After a careful reading of the Millis Town By-Laws, we reviewed the by-laws of eleven neighboring communities. We identified several by-laws that deserved consideration for our Town. Officials in other towns were consulted to determine how well the by-laws worked in their communities.

We worked closely with the Charter Review Committee and Millis Town departments, boards and committees to develop our recommendations. Town Counsel supervised the preparation of the revisions. We kept the community informed of our activities through newspaper articles and public meetings.

The Committee made several recommendations to Annual Town Meeting. These recommendations included a by-law to create a Capital Improvement Program, a special hearing procedure for proposed demolitions of historical sites, and amendments to the Hazardous Materials By-Law, and Police and Fire regulations.

These recommendations will be voted on by the people of Millis at the 1987 Town Meeting.

We are pleased to have had the opportunity to serve the Town. We have carried out our assigned task to the best of our ability.

Respectfully submitted,
Maryann T. Magner, Chairman
Linda Parker
Hank Perciaccante
Rick Tarara
Nancy Wiseman

REPORT OF THE MILLIS CABLE TV COMMISSION

It was an active year for the Millis Cable TV Commission for a multitude of reasons. First of all, after many hearings and meetings, many of the communication problems between Rollins CableVision and the Millis subscribers were vented and addressed by all parties within the community. Information helped clear the air and helped us to learn more about the intricacies of cable television.

The Cable TV meetings were intense, and many items ranging from picture quality, equipment, insurance matters, and needs filled pages of our minutes. As an aside, Cable minutes are available for anyone in the Town to view by contacting the Millis Cable TV Commission via the Town Hall.

Cable 10 continued to promote educational programs developed through Millis High School students under the leadership of Frank Gubala, the schools' AV Coordinator. Murphy's Law, a Sunday night feature, continued, thanks to Francis X. Murphy who presents many homespun videos and other videos prepared by various sources within the community.

The Public Access Group (PAG) was spearheaded by three ambitious individuals who brought the first live Selectmen's Meeting directly from the Millis Town Hall. The group is comprised of Ken Drew, who serves as spokesman and is assisted by Jeff Steele and Clive Nickerson. The PAG is a non-profit group which is interested in promoting Millis events via the Cable 10 channel.

Towards the end of 1986, news of the intended transfer of the license from Rollins CableVision to Heritage Cablevision brought on a new series of changes in terms of negotiations to clarify existing language. Success was met by both parties, the Millis CAC and the Heritage group, since the various agreements will strengthen the Millis franchise. Specifically, a clarified insurance agreement, several pieces of equipment, equipment upgrade, and improved dialogue resulted through the efforts of the Selectmen, Rollins management and the Millis CAC.

All in all, I am proud to have been able to serve as your Chairman, and believe that Millis will continue to improve its cablevision programs, studio facilities, and volunteer efforts. Special thanks, of course, to the very dedicated Cable Commission.

Respectfully submitted,
Julius Rosen, Chairman
Ken Jones, Vice Chairman
Frank Gubala, Secretary
Clive Nickerson
Francis X. Murphy

REPORT OF THE MILLIS CHARTER REVIEW COMMITTEE

This committee was appointed by the Town Moderator, through the Board of Selectmen, to review the present Charter of the Town of Millis, to study the working of town government and to recommend revision of the Charter if deemed necessary.

The Millis Town Charter contains the framework of self-government for our Town, much like the Constitution is the framework for our Commonwealth. The Charter must be supported by adequate By-Laws to describe the specifics of government. Hence, the Committee attempted to develop a liaison relationship with the By-Law Review Committee which was also formed to review existing Town By-Laws.

Beginning in early summer the Committee met on a monthly basis, initially to acquaint themselves with the present Charter and to educate themselves in the understanding of the principles and laws governing the concept of Home Rule. A review of the present structure of town government took place and was compared to available alternatives. Letters were sent to Town boards and committees asking for comments and concerns related to the existing structure of Town Government. Town Charters from neighboring towns were reviewed. Town officials who attended our meetings brought their views and comments regarding what is necessary for governmental changes in the Millis Town Charter. Executive Secretaries and Town Administrators from various communities shared with us their knowledge.

A public hearing was scheduled and held on January 6, 1987 for the purpose of soliciting comments and suggestions from all interested citizens. The Committee has needed to know what the citizens of Millis want for their Town Government.

As of this writing, January 1987, formal recommendations are in the process of being written for submission into the May 1987 Town Warrant. The Committee has considered numerous suggestions of interested officials and citizens and has attempted to evaluate objectively their concerns. Weekly meetings are being held to fine-tune our efforts so that our Committee can make a worthwhile contribution to the future of the governmental structure of our Town. Issues of Fiscal Control and the need for prospective planning have dominated our meeting time. It is with these concerns in mind that our recommendations will be formulated.

We wish to thank those who have given of their time and of their ideas. It has been a pleasure, and also a difficult task, to review the Town Charter to enable it to provide for ongoing government with Millis' growing needs and long-range goals in mind.

Respectfully submitted,
Gail Douglas, Chairwoman
George Ford, Vice Chairman
Jeanette C. Abulafia, Clerk
Janice Simms, By-Laws Liaison
Catherine MacInnes
Douglas Priest
John Higley
Randall Rogers
Sharon Moodie

REPORT OF THE CIVIL DEFENSE DIRECTOR

I herewith submit my report as Civil Defense Director for the year 1986. All requests of the state and sector directors have been fulfilled and all reports requested completed. Our radio officer has taken part in all radio alerts and drills. Trips have been made to the civil defense base in Taunton in the interest of the Town.

In October of 1986, the Civil Defense moved its headquarters to the basement of the Memorial School on Main Street. All remodeling work was done by Civil Defense personnel. Many thanks to the School Superintendent and the School Committee for the use of the facilities. Also thanks are extended to the Police and Fire dispatchers for their cooperation in handling emergency situations. I would like to thank all of the people who donated to the project. The new Civil Defense headquarters will be of great value to the people in the Town of Millis during a time of emergency.

Respectfully submitted,
Manning Doliner
Civil Defense Director

REPORT OF THE MILLIS CONSERVATION COMMISSION

The Conservation Commission continues to be very active in administering its responsibilities under the Wetlands Protection Act, Massachusetts General Laws Chapter 131 Section 40. Under provisions of the Act no person may remove, fill, dredge or alter certain wetland resource areas without first filing a Notice of Intent and obtaining an Order of Conditions. The Act requires that any order so issued must contain conditions sufficient to preserve and promote the following public interests: the protection of public or private water supply and groundwater supply, the enhancement of flood control and storm damage prevention, the prevention of pollution and the protection of fisheries and land containing shellfish.

During 1986 the Conservation Commission held fifteen Public Hearings under the Massachusetts Inland Wetlands Protection Act. Each hearing considered the possible impacts that a proposed project might have on Millis wetlands. As a result thirteen Orders of Conditions were issued minimizing any adverse effect the projects would have on the wetlands. The Commission also made two Determinations of Applicability in reference to other wetlands applications.

The Conservation Commission has also undertaken the lead in developing an Open Space Program for the Town of Millis. In September the Town of Millis received approval for a \$7,500 planning grant from the Department of Environmental Management's Bay Circuit Program to prepare the plan. An advisory committee was created with representatives from each of the following boards: Planning Board, Conservation Commission, Oak Grove Farm Committee, Recreation Committee, and Board of Selectmen. Our work schedule is on overload in preparing the project scopes of work toward completion of the plan by May 1987.

The Commission holds its regular meetings in Niagara Hall on the second Monday of each month.

The Commission appreciates the cooperation and assistance of other Town boards and committees on matters affecting Millis wetlands. We also want to acknowledge the assistance of our secretary, Kathi O'Callaghan, without whom very little would get done.

Respectfully submitted,
Nancy L. Dillon, Chairman

REPORT OF THE DOG OFFICER

As Dog Officer, I hereby submit my report for the year ending December 31, 1986.

Calls	582
Complaints	257
Dogs Picked Up	176
Dogs Claimed	154
Injured Animals to Veterinarian	126
Animals Killed on Highways	216

I wish to thank dog owners abiding by the Leash Law and the Police Department for their fine cooperation.

Respectfully submitted,
John Cassidy
Dog Officer

REPORT OF THE DRAINAGE INVESTIGATING COMMITTEE

The drainage problem areas brought to our attention this year were minor.

Our conferences coordinated our resolutions and determinations with the Conservation Commission, Board of Health, Department of Public Works and the Planning Board, and, of course, the residents involved.

Respectfully submitted,

Respectfully submitted,

Herbert Stevens, Chairman

Charles G. Ellis, Clerk

Louis DeAngelis

REPORT OF THE ENERGY CONSERVATION COMMISSION

The Energy Conservation Commission doesn't have too much to report about for '86.

The Firehouse overhead electric door closers were finally completed and paid for.

At Town Meeting the good people of Millis replenished our dwindling coffers with an appropriation. The Committee is most thankful and assures everyone it will be put to good and prudent use.

Evidently Town Departments had no problems worth our offer for consultation. Our offer of availability still stands.

It seems everyone has put Energy Conservation on the back burner, but the cost of the fuel that supplies that burner is starting to creep up. So, please be aware, conserve your share.

Respectfully submitted,
Tauno O. Aalto, Sr.
Samuel Howie, Sr.
Francis X. Murphy
Edward Maher

REPORT OF THE FIRE DEPARTMENT

In 1986, 359 homes were inspected and proper permits were issued to comply with Chapter 148, Section 26F, Massachusetts General laws, that require that all homes sold must have smoke detectors.

Many firefighters attended the following classes at the Massachusetts Firefighting Academy:

Self-contained Breathing Apparatus
Vehicle Extrication
Ground Ladders
Aerial Ladders

At the 1986 Town Meeting, money was appropriated to purchase a new pumper to replace a 1962 model. The bid was awarded to Emergency One; the truck will be delivered sometime in March 1987.

In 1986 the Fire Department responded to 263 calls, as follows:

Bomb Scare	1
Dryer fires	3
False Alarms	9
Car Fires	8
Assistance calls	16
Chimney fires	4
Mutual Aid	22
Smoke Investigations	20
Kitchen stove fires	12
Building fires (garage/shed)	6
Building fires (house)	4
Fire alarm systems	12
Burning wires (Edison)	6
Truck fires	2
Illegal burning	6
Downed wires	5
Electrical fire (house)	1
Gas leak (propane)	1
Gas wash downs	14
Pumping cellars	6
Disposal area	2
Oil burners	4
Dumpsters	3
Woods fires	30
Storm standbys	4
Hot water heaters	5
Motor vehicle accidents	20
House duty	16
Transformer fires	4
Sprinkler systems	7
Furnace fires	4
Wood stoves	2
Barn fire	1

Pole fires	2
Washing machine	1

The following permits were issued:

Oil burners	34
Blasting permits	8
Model rockets	6
Powder storage	6
Sale of Christmas trees	2
Propane storage	7
Smoke detectors	359
Open burning	375

The towns of Medway, Medfield, Norfolk and Sherborn gave our department mutual aid help at various times during the year, and we very much appreciate their efforts.

I would like to thank the Board of Selectmen, the Police Department, the Fire and Police Dispatchers, and the citizens of Millis for their help and cooperation.

Special thanks are given to the D.P.W. Commissioners and Superintendent Robert Leslie for their cooperation in helping me perform my duties as Fire Chief during my working hours with the Department of Public Works.

Respectfully submitted,
Robert A. Volpicelli
Fire Chief

GROUND WATER PROTECTION COMMITTEE ANNUAL REPORT

1986 was the year the Town of Millis protected its water.

After a narrow defeat at Town Meeting in the spring, the people of the Town rallied behind the Ground Water Protection Committee at a Special Town Meeting in November and unanimously adopted every recommendation presented by the Committee. And most recently, those adopted regulations have been proposed as a model for application throughout New England.

As of now, you, the people, can rest assured that Town law is protecting the water you drink. And to guarantee that the law is not weakened in the future, there now exists a permanent Ground Water Protection Committee.

Some examples of new Ground Water Protection Measures adopted in 1986 are:

1. The use of road salt in ground water sensitive areas is now limited.
2. The amount of land that can be sealed by industry and business is now clearly defined and limited. If a developer wants to exceed those limits, he must prove to the Town (through a very vigorous procedure) that he can capture, save, clean, and return to the ground water system no less than 50% of all precipitation that falls on his property in a full year.
3. All companies which apply hazardous chemicals to ground cover in Millis must be registered with the Board of Health, and may have their activities limited in certain critical locales.
4. Certain hazardous industrial activities are now prohibited in ground water sensitive areas. For example, no new etching operations, junk yards, or chemical manufacturing will be allowed in the Town's secondary recharge areas.

These are but a few of the new policies, procedures, and regulations which have been adopted during a very busy year. What does it all mean to you? Simply that every time you take a drink of water in Millis, you will know that your water is among the best in the state.

I would like to take this opportunity to thank those selfless citizens who worked so hard to accomplish a very difficult job. They, as members of the Ground Water Protection Committee, faced considerable opposition to many of their proposals. But they persisted in education and positive persuasion. And in the end they produced a remarkable document - one which will be recognized by the future citizens of Millis as an example of great wisdom and foresight. A very special Thank-You to Gail Douglas, Ed Cronin, George DeAngelis, Hamed El-Bisi, Ed Schluzas, John Greco, and Domenic D'Eramo.

Respectfully submitted,

Laurence M. Magner
Chairman

REPORT OF THE HAZARDOUS WASTE COORDINATOR

During 1986 I was called upon several times to investigate potential hazardous waste areas. One area had an asbestos hazard which now has been resolved through the Board of Health regulations and assistance. Another area of concern has been ongoing for several years. The property at 59 Island Road has been and still is a mess. With the ongoing contamination study for Wells I and II, I will be asking for a test well to be placed in this area. With the amount of work being done on maintaining the vehicles present on this property, I feel that this investigation is warranted. The area should be handled with great care because of the potential hazards to our ground water supply. This area will be an ongoing study indefinitely.

Millis still has two areas listed by the Department of Environmental Quality Engineers as contaminated areas. They are the McFetridge property on Grove Street and the Shell Station on Main Street. The Shell Station has followed all D.E.Q.E. regulations in its cleanup operations and presently is being monitored. I want to thank the management at Shell for their total cooperation during this lengthy cleanup operation.

The final area I will speak on is that of our contaminated Wells I and II. The Town of Millis has received its draft report from Anderson-Nichols on the Contamination. We expect a final report from Anderson-Nichols by late March 1987.

As of this report three areas of ground water contamination have been identified in the vicinity of the Town of Millis' well field. The three areas are: (1) Union Street near Water Street; (2) Daniels Street and Van Kleeck Street area; and (3) Down gradient of the Department of Public Works garage.

This study comes to NO conclusions as to the source of these contaminated areas. They, Anderson-Nichols Engineering and the D.E.Q.E. in concurrence, have recommended that additional ground water monitoring be conducted upgradient of the well site and an evaluation of alternative water supply options be completed. Due to the industrial nature of the area upgradient of the well site and continued release of contamination into the ground water aquifer, I feel that we should continue these studies before we commit ourselves to any further long-term cost. At this time it is believed that these further studies will be picked up by the state, although we will have to appropriate these funds up front.

I would like to thank the following people for their assistance throughout this past year: Mr. Robert Leslie, D.P.W. Superintendent; the Millis Board of Health; Mrs. Janet Collins, D.P.W. Assistant to the Superintendent; and Mrs. Hindy Rosenfeld, Chairman, Millis Board of Selectmen.

Respectfully submitted,

Thomas E. Hatch
Hazardous Waste Coordinator

REPORT OF THE BOARD OF HEALTH

Submitted herewith is the annual report of the Board of Health for the year ending December 31, 1986.

In accordance with Chapter III, Section 27 of the General Laws, the board reorganized at a regular meeting on May 7, 1986. Elected were Chairman, Laurence M. Magner; Clerk, Ted Isensee; and third member, Margaret J. Clark.

The regular meetings were set for the first and third Wednesday of the month at 7:00 p.m. at Niagara Hall; however, effective October 1, 1986, the board voted to change the meeting nights to the first and third Thursday of the month at 7:00 p.m. at Niagara Hall.

PERMITS AND LICENSES ISSUED BY BOARD OF HEALTH

Food service establishment	22
Retail	7
Non-profit organization, no charge	5
Transport and dispose offal	5
Swimming pool, public	1
Swimming pool, private	14
Disposal works installer's permits	10
Well permits	16
Funeral director	1
Septic systems	
New installations	34
Modification of existing facilities	11
Resubmission	4
Percolation and deep holes	80
Hypodermic needle and syringe	1
Hazardous materials	26
Abrasive blasting	1

MILK INSPECTOR

During the past year Philip Gavin, Milk Inspector, reported all milk distributed throughout the Town of Millis has been examined and tested by the Department of Public Health and found to conform to their minimum standards.

The following permits were issued and money for same turned over to the town treasurer:

4	Oleomargarine permits @ \$.50	\$ 2.00
19	Milk permits 2.00	38.00
		<hr/>
		\$40.00

PLUMBING AND GAS INSPECTOR

Thomas C. Frasca, Plumbing and Gas Inspector, reports 257 plumbing permits and 61 gas permits were issued during fiscal year, 1986.

The total permit fees collected is as follows:

Plumbing permit fees	\$ 5,054.50
Gas permit fees	726.00
	<hr/>
	\$ 5,780.50

Mr. Frasca wishes to express appreciation and many thanks to Shirley Rowley, Rose Robinson and Henry McCarthy, Assistant Plumbing and Gas Inspector, for their assistance during 1986.

PUBLIC HEALTH NURSE

Kathleen Opanasets, R.N.

The role of the public health nurse has always included the prevention of disease and delivery of the traditional public health services provided by the town and the state. The role has expanded to include coordination of nursing care to persons who are under medical supervision and homebound. The public health nursing services are always family centered with an emphasis on disease prevention and health promotion. A need for service is conveyed by the State Department of Public Health, area visiting nurse associations, social service agencies, by private citizen or concerned family member.

Please use the office of the public health nurse as a resource to answer questions related to your health or your family's health.

Total number office visits:	206
Total number home visits:	107
Total number investigations and follow-up:	13
Salmonellosis	10
Hepatitis	2
Tuberculosis	1

- | | |
|--|-----|
| 1. 1986—Total number blood pressure screening clinics | 12 |
| 1986—Total number of people screened | 301 |
| 2. 1986—Total number of flu shots given | 170 |
| 3. 1986—Total number school-age children immunized | 29 |
| 4. 1986—Total number of home visits to premature/first- born infants | 9 |
| 5. 1986—Loan closet equipment loaned | 3 |
| 6. 1986—T B tests | 7 |
| 7. 1986—Number children screened for lead | 3 |
| 8. 1986—throat cultures | 3 |
| 9. The Public Health Nurse is available Tuesdays 9:00 a.m.-3:00 p.m. at the Board of Health office and will be making all home visits on Fridays 9:00 a.m.-3:00 p.m. | |

BOARD OF HEALTH AGENTS

Laurence M. Magner, Chairman, reports in 1986 the Board of Health implemented many new procedures, policies and regulations. All of them had a common theme: To protect and ensure public health and welfare. Some examples follow:

1. All major new developments proposed for your town now must file a Health Impact Statement with the Board of Health before the board will consider any such proposal. The Health Impact Statement will give the board the information necessary to make a well-informed decision about the merits of the proposal.
2. No home on a private well may be sold until that well is tested for, and shown to be free of, any chemical or biological contaminants. This regulation protects the buyer and at the same time gives the board a better picture of the overall quality of the town's underground drinking water supply.
3. The Board of Health has also completely revised its fee schedule. The costs of permits, inspections and other board services were hopelessly out-of-date. Now they reflect the true value of the board's services and will, of course, directly benefit the town's financial profile.
4. All food service establishments were inspected at least twice during the last year. Some of the restaurants received warnings for sanitary violations. However, the violations were quickly corrected. Perhaps this was because the board recently adopted a regulation requiring that restaurants that are chronic violators of health standards have their names and offenses published in the local media.

The year, 1986, was a year for Board of Health action. In many areas your board took the bold steps necessary to crack down on health violators and, also, to effect the implementation of new public health policies. Your board has withheld operating permits, issued warnings, started court proceedings and, when necessary, denied several large developments. Our guiding philosophy is simple: You are the public and your health comes first. We will do our best to protect your health.

Two new faces were added to the board in 1986. Ted Isensee was elected to the board in May and has taken up his duties with vigor. Mr. Isensee is particularly skillful in 1) evaluating the true value and cost of health services and 2) relating current health policies to future health needs.

The second face belongs to Mr. Mark Oram who was contracted to be the new Board of Health Agent. Mr. Oram brings many years of public health service experience to the town. He is a Registered Sanitarian and a Certified Public Health Officer. Most important, though, Mr. Oram is a very thorough and strict Board of Health Agent. He will be either on duty or on call in Millis every working day. It is comforting to know that our public health is being well protected. Mr. Oram's presence also has an important consequence for the town's future. While he is enforcing current health regulations, your board members are now free to devote themselves to future health policies and programs. Watch for changes-perhaps a local health series on cablevision and a monthly newsletter.

And a special note of thanks to a familiar face, that of Mrs. Shirley Rowley, the person who holds the Board of Health together. As secretary, Mrs. Rowley has given eighteen years of service to the Millis Board of Health. She is the person people meet when they come down to the board and she is the person who makes them feel welcome and important. Thank you, Shirley.

For the fiscal year, 1986, there were 45 complaints (with multiple re-inspections) and appropriate action taken where necessary. All complaints are logged at the Board of Health office and investigated by either board members or the Health Agent.

There were 34 new septic system installation inspections made plus 11 inspections for modifications of existing facilities. Some of these required reinspections.

Receipts sent to the town treasurer from the Board of Health for the fiscal year, 1986, totaled \$16,101.04.

In closing, please remember your Board of Health is a receptive board. We were elected by you to serve you. Please, come talk to us and work with us. Together we can ensure a healthy future for the Town of Millis and its citizens yet to arrive.

Respectfully submitted,

Laurence M. Magner, Chairman
Ted Isensee, Clerk
Margaret J. Clark, Member

NORFOLK MENTAL HEALTH ASSOCIATION, INC.

The Norfolk Mental Health Association is a private non-profit corporation, governed by a citizen Board of Directors who represent each of the twelve towns in its service area: Canton, Dedham, Foxborough, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of the Norfolk Mental Health Association available to Millis residents are:

CUTLER COUNSELING CENTER which has a large multi-disciplinary staff serving individuals, couples, and families. Services include evaluation, referral, treatment, educational and support groups (e.g. Widowed Lifeline, Gym Program for Children, Social Rehabilitation, Divorce-Separation Workshops, Stress Management), children and adolescent groups, parent-toddler groups, as well as consultation and training services to community agencies, schools, and local industries.

PROJECT HIRE, a sheltered vocational rehabilitation facility for people with emotional, developmental or physical handicaps. Programs include diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered long-term employment, and transitional employment and job placement.

CASE-AIDE AND PARENT-AIDE PROGRAMS, offering trained and supervised volunteer aides who provide one-to-one help to clients in the community, families and individuals in crisis, victims of domestic violence, parents at risk of abusing and neglecting their children, isolated elderly.

COMMUNITY EDUCATION PROGRAMS, offering speakers for community meetings, workshops, consultation and educational materials.

During fiscal year 1986, Cutler Counseling Center provided direct services to approximately 53 people from Millis. The total value of these services was \$17,160 of which the Town of Millis allocated \$3,506.

In the past year, people from Millis who came to us for assistance were often referred by friends, neighbors or family, may have read our newspaper, or were referred by clergy, school, physicians, or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relations, school or behavior-related problems, alcohol or drug abuse, work-related problems, and acute or chronic mental illness.

The Norfolk Mental Health Association Board of Directors includes Mary Alexander and Virginia Gilpatrick from Millis.

Respectfully submitted,

Thomas F. Doherty, Ph.D.
Director of Clinical & Professional
Services

John J. Sheingold
Director of Finance

REPORT OF THE HISTORICAL COMMISSION

The Historical Commission continued to have a busy and challenging year. We have been coordinating with Oak Tree League members concerning state survey forms. We thank these members for all their time and dedication to this most important project.

We also have been working with members of the Oak Grove Farm Committee and extend special thanks to Harold Curran for all his time and assistance.

The students from Tri-County Regional School have been doing a nice job repairing the Oak Grove Farmhouse. We thank them for their efforts.

Special mention is given to GAF Corporation for their generous donation of roofing materials for the farmhouse. Thank you for showing an interest in Millis' historical projects.

A big thank-you also to all the members of the Commission for their many hours of volunteered time.

Respectfully submitted,

Jacqueline Graci
Chairman

REPORT OF THE MILLIS HOUSING AUTHORITY

The Millis Housing Authority spent the winter and spring of 1986 working to obtain, from the State, the latest funding grant for Low to Moderate Income Housing that was to be awarded in June 1986. At the annual Town Meeting in May, Millis voters gave the long awaited approval for construction of 18 subsidized housing units, as required by the State. Subsequently, in June, at a meeting of the Executive Office of Communities and Development, the Millis Housing Authority was awarded a grant of over \$1.4 million. An agreement was reached to purchase 5 refurbished units and 5 units (to be constructed), on Daniels Street, thus allowed the lifting of the Chapter 215 exclusionary ban on other state funding to the Town.

In December, the Housing Authority was informed by the Executive Office of Communities and Development of new eligibility guidelines for state-aided elderly housing, to become effective in March 1987. Under the new guidelines, the age requirement will be dropped from 65 to 62 years of age, with the proper net income levels as follows: one person, \$15,232, annually; two persons, \$17,408 annually. All interested citizens are urged to contact the Executive Director's office for a housing application.

In 1986 all ten of the available Chapter 707 (low to moderate income housing) Rental Certificates were given out. In addition, all 73 of the Chapter 667 (elderly housing) units are occupied, making a total of 83 units under the jurisdiction of the Millis Housing Authority.

At the annual election on June 23, 1986 the following slate of officers was elected for the coming year: Vincent J. Howley, re-elected Chairman; Susan D. Lang, re-elected Vice Chairman; Mary A. Welch, re-elected Treasurer; Joanne H. Andrews, re-elected Ass't. Treasurer; Clohessey Lichman, re-elected Clerk. Affirmative Action Officer is Joanne Andrews; Shirley D. MacInnes, Executive Director, acts as Secretary at Board Meetings.

The Millis Housing Authority meets on the first Wednesday of each month at 7:30 P.M. in the Recreation Hall of Kennedy Terrace, at 310 Exchange Street. The office of the Executive Director is located at the rear of the Recreation Hall and is open Monday - Thursday, 9:00 A.M. to 3:00 P.M. The telephone number is 376-8181.

The Housing Authority would like to give special thanks to Rep. Frank Woodward for his much needed assistance in the acquisition of Low to Moderate Income Housing for the Town of Millis and also to the Executive Office of Communities and Development and their capable staff. We would like to thank the Board of Selectmen, the Police Department, the Fire Department and all other Town Departments for their cooperation throughout the year. We would like to give a special word of appreciation to the Department of Public Works for their unending assistance.

The Authority wishes to express its appreciation to Shirley MacInnes for her dedicated service as Executive Director and to Robert Healy for his continuing efforts in the maintenance of the Authority.

Respectfully submitted,

Vincent J. Howley
Chairman

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION

The Industrial Development Commission is appointed by the Board of Selectmen. The Commission is intended to serve as a liaison body between the various Town boards and Millis' current industrial and commercial residents and to endeavor to promote the Town as a home for new industrial or commercial tenants.

The Commission was revitalized in 1986 and, with the assistance of the Millis Advisory and Coordination Committee (MACC), has formulated an aggressive course of action for 1987. Included in 1987's plans will be a survey of current industrial/commercial tenants to assess both their present satisfaction with the Town as well as future business plans, an assessment of available industrial-commercial sites appropriately zoned for business and a roundtable luncheon or dinner for the Commission to meet with all of the Town's business representatives to discuss issues and plans.

Sam Howie, Vahan Khachadoorian and Steve MacInnes are members of the Industrial Development Commission, with Carl Nickerson serving as Chairman and Larry Schnicker as Clerk and Representative to the Board of Selectmen. Meetings are held on the first Saturday of each month.

Respectfully submitted,

Carl Nickerson
Larry Schnicker
Sam Howie
Vahan Khachadoorian
Steve MacInnes

REPORT OF THE ANIMAL INSPECTOR

A total of fifteen dog bites and one cat bite were reported for 1986.

The animal inspection and census were completed in accordance with the State Division of Animal Health. There are:

121	Horses
28	Cows (6 Beef, 22 Dairy)
200	Sheep
16	Goats
10	Ponies
1	Pig

Respectfully submitted,

Jacqueline Ward-McCollem
Animal Inspector

REPORT OF THE BUILDING INSPECTOR

Two hundred ninety-six building permits were issued for all categories of construction during 1986. Total estimate of construction was \$12,882,355. Fees collected amounted to \$47,963.

Permits issued:

Single Dwellings	43
Duplex	1
Condominiums	47
Additions	52
Alterations	65
Wood Stoves	14
Swimming Pools	15
Barns, Garages and Sheds	33
Signs	6
New Commercial Buildings	5
Commercial Alterations	12
Demolition	1
Miscellaneous	2

It should be noted that building permits are required for all types of construction and home improvements and failure to obtain a building permit before construction begins will result in a fine of a double permit fee.

I would like to express my appreciation to John Larkin, Alternate Building Inspector, Jackie Anderson, Marian Harrington, Roma Curran and Brenda Whelan, all of whom have assisted me.

Respectfully submitted,

William Whelan
Building Inspector

ANNUAL REPORT OF THE WIRE INSPECTOR

1986

Time once again to address the Board.
 A prescribed duty for me to record
 A full account of the previous year.
 To borrow a phrase "Lend me your ear."
 'Ere you hear topics of inspection,
 Please allow this worthy reflection.
 Accolades and plaudits too
 For a job well done, are surely due
 Those who outdid their competition
 Compiling our "Centennial Edition"
 Not surprising one must confess
 Even an alert and friendly press,
 The Milford and the Middlesex News
 Gave the award winner good reviews.

Back to eighty-six, let me proceed
 To apply numbers to every deed.
 Vital statistics let me underscore
 More revenue than heretofore.
 Dollar tab? At this sum we arrive
 Eighty nine hundred and fifty five.
 There were permits - issued for a fee,
 some seven hundred and seventy three.
 Twenty two hundred and seven - were
 miles, reimbursed at zero per.
 For visits in Town from line to line
 Thirteen hundred and forty nine.
 Eight hundred sixty five hours consumed
 As electric wiring construction boomed.

The permits mentioned eight lines ago
 Are here spelled out, for all to know,

Services	204
Temp Services	9
Renovations	103
Electric Heat	78
Commercial	75
Condos	65
Additions	49
New Dwellings	42
Swimming Pools/Hot Tubs, etc.	26
Barns/Garages	23
Homeowners	21
Re-Inspections	14
Municipal	9
Miscellaneous	55

You've seen the figures of a busy year
A behind the scene's look makes it clear
It's not the inspecting that's most tiring
That overcomes this Inspector of Wiring
It's the paper work that makes one groan
I need a paper clerk to call my own.
I realize I'm many times blessed
For I am surrounded by the best.
First all the ladies at the Town Hall
On whose expertise I often call
Jackie and Janet (the latter - new)
Who are the Selectmen's office crew.
Roma and Kathy - wait there are more
Barbara and Caroline - downstairs four.
Assistant Ted Maher - a busy man
Fills in for me, when'ere he can.
There's the "Apple" of my eye at home
Taking my calls while I do roam
And to be sure - there is another
My first love - her Grandmother.

Respectfully Rhymed,

Tauno O. Aalto, Sr.

REPORT OF THE LIBRARY TRUSTEES

The Millis Library roof is now secure after reroofing the adult section of the building this past year. Western Roofing of Watertown, under the direction of LEA Engineering, completed the new roof in October. We are thankful that the staff, patrons and books are now assured of dry quarters. Other improvements to the Library consist of painting the entire facility, doors for the Community Room, and a new rear door. The Community Room has been utilized by a number of Town groups, and we encourage its use by Millis organizations.

Trustees and Librarian Patricia Iseman applied and were accepted for a State library computer grant. The primary purpose of this grant is to connect Millis to the Inter-Library Loan Service. We now have an IBM PC XT at the Library for the staff to use. Millis will be part of the Minuteman Regional Library Computer Group, and we will begin computerizing our new book purchases. This is the beginning step in providing Millis Library patrons with expanded service. Yearly we will continue to build other important databases into our records.

Programs presented during the past year included: summer reading with 88 students grades 1 through 5 reading 1,760 books; Fun-in-the-Sun preschool summer activity; story hours during the school year; and visits by school classes. Two different evening programs were presented. Francis Vincent, an expert on scrimshaw, gave a talk on this vanishing craft. Joseph Travers, Sr. shared tips on reading comprehension with his audience. Both men are avid readers as well as Millis residents.

Donations to the Library in memory of Paul Albani were received, as well as a generous book donation by Francis Vincent. Books have been purchased with these monies, and book plates have been placed in the books recognizing the donor.

Trust funds have been used during the year to add to and replace reference collections, making the Millis Library collection more complete. A total of \$4,492.25 in interest was expended from the following trust funds:

Rosalie Thrasher-Griswold
Woolvert Fund
Emerson Fund
Purdy Fund

Circulation figures for the year:

Adult, fiction	13,952
Adult, nonfiction	7,567
Juvenile, fiction	16,154
Juvenile, nonfiction	3,022
Fines collected	\$ 2,507.92

Friends of the Library have been most generous with their gifts during the year. Landscaping on the Main Street side of the Library as well as drapes for the Children's Room and Community Room are gifts from the Friends.

The Annual Book Sale in May allowed these purchases for our benefit. We thank Mary Alessi, President of the Friends, and the Friends for their support of the Library.

Mary turned over her gavel to the newly elected President of the Friends, John Roe, in June. A fall bake sale at Millis Star Market earned more funds for the Friends. The Friends' Annual Book Sale, held in May, is made possible by generous donations of books from Millis Townspeople and Library discards. We are grateful for the donations.

The Millis Library is pleased to welcome Margaret Fitzgerald to our staff. Under the direction of Patricia Iseman, Librarian, the staff includes Senior Library Assistant Shirley DiCenzo; Library Assistants Renate Todd, Marguerite Bauer, and Margaret Bergen; and Pages Susan Frasca, Michelle Beguerie and Hillary McQuinn.

Millis Library celebrates its 100 years of library service to the Town of Millis in 1987. Several programs have been planned to appeal to all age groups during the coming year. Celebrate this "Year of the Reader" by visiting the Millis Library.

Respectfully submitted,

Martha Menne, Chairperson
Donald Hernon
Georgeanne Roe

METROPOLITAN AREA PLANNING COUNCIL ANNUAL REPORT

Millis is a valued member of the Metropolitan Area Planning Council (MAPC), which consists of 101 cities and towns in the metropolitan Boston area. Millis' contribution of 18.1 per capita (for this year, \$1,253) helped to provide technical assistance to Millis and other member communities. With Millis' participation, the Council was able to continue its involvement in land use, economic development, housing, transportation, and environmental preservation issues, forming and implementing policies which benefit the metropolitan region.

Although the Town of Millis requested no specific technical assistance during 1986, it did however benefit from the following regional plans, policies, and programs:

- the update of the statewide MDPW State Highways Map;
- update of the Transportation Improvement Program, required to maintain eligibility for federal highway funds;
- a study of Route 128 and surrounding communities, still in progress;
- the study of the shortfall of local funds for roadway maintenance;
- the Traffic Volume Data File, a comprehensive collection of traffic volume counts and other information useful to highway planning departments and other engineers;
- MAPC's Pavement Management Manual, a project to help highway superintendents determine how to efficiently expend local roadway budgets.

Several other publications were also produced by MAPC which were also beneficial to Millis: Inclusionary Housing and Linkage Programs in Metropolitan Boston, a useful guide for communities concerned with the issues of affordable housing; The Community Profile Series, published by MAPC's Economic Development and Data Analysis department, contains demographic data, including population and employment projections, municipal finances, industrial and commercial surveys, land use maps (with comparisons to 1950); and other information for Millis, as well as 100 other communities.

As the Millis MAPC representative, it has been a pleasure participating in some of the planning issues that involve the Town and its 100 neighboring communities in the metropolitan Boston area.

Respectfully submitted,

Domenic E. D'Eramo
MAPC Representative

REPORT OF THE MILLIS ADVISORY AND COORDINATION COMMITTEE (MACC)

The MACC has continued its activities in 1986 by meeting monthly in the Selectmen's Office.

The Committee reorganized in the Fall of 1985 with Earl Rhyne as Chairman, Hindy Rosenfeld as Co-Chairman and Charles Levine as Recording Secretary.

The original fourteen departments represented on the membership list were increased to twenty-three departments in 1986 in the effort to expand communication between Town Boards.

Monthly meetings led to diverse programs which dealt with problems facing Town departments and their resolution through communication.

MACC's purpose, to expedite and maximize effectiveness and communication among Town officials, has led to discussions on low income housing, solid waste disposal alternatives, the feasibility of a managerial position under the Board of Selectmen, and the business climate under the jurisdiction of the Industrial Development Commission.

The Millis Advisory and Coordination Committee will continue its efforts for better effectiveness and communication among Town officials.

REPORT OF THE MBTA ADVISORY BOARD DESIGNEE

As of January 1, 1987 the responsibility for operating commuter rail was shifted from the Boston and Maine Railroad to Amtrak. This change should be pretty much transparent to commuters.

The parking situation in Norfolk has just about reached the crisis stage. There has been consideration given in the past to charging non Norfolk residents for parking. It is quite likely that this issue could surface again in the future.

All in all, commuter rail remains a very viable alternative to fighting the Route 109 automobile commute to Boston.

Respectfully submitted,

Eugene D. Smith
M.B.T.A. Designee

REPORT OF TOWN MODERATOR

During 1986 the Town completed the Annual Warrant in May as well as a Special Town Meeting in November. Significant action included purchase of major capital items as well as drafting and acceptance of a comprehensive Ground Water Protection By-Law.

Increased demands brought about by a growing population coupled with a decrease in the proportionate amount of commercial and/or industrial property has led to a significant change in the Town's fiscal management. Specifically, the Town purchased major capital items by borrowing rather than by outright purchase or by taxation with the result that the interest which will be necessary to pay for these items will come directly from the taxpayers rather than from savings with a consequential decrease in the amount of expendable tax monies in future years. Furthermore, the Town has nearly depleted the stabilization fund to a figure which is well below what should be considered safe or reasonable.

The Finance Committee is to be commended in trying to grapple with this most difficult problem in a fair and intelligent fashion by trying to balance the needs of each department with the present and future ability of the Town to produce the revenue necessary to fund these needs. The Personnel Committee has obtained the services of a consultant and intends to present a comprehensive updating of the Personnel Plan in May, 1987.

Also during 1986, a By-Law Review Committee and Charter Commission were appointed to look into updating the Town's By-Laws and possible revision of our existing Charter and structure of Town Government. As has been indicated in the past, it cannot be stressed how much we need volunteers to serve on the Finance and Personnel Committees as well as the various study committees that arise from time to time. Anyone having an interest in serving on such a committee should contact the Town Hall and indicate the area of their interest and expertise. Again, I extend my thanks to everyone who attends Town Meeting in order to take Town Meeting action which truly reflects the wishes of the Town Citizens.

Respectfully submitted,

John G. Dugan
Town Moderator

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage ditches cleaned	224 feet
Culverts cleaned and opened	2 count
Brush obstructing drainage cut	800 feet
Drainage construction by wide-track backhoe	2,750 feet

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack and mistblowers	137 acres
Catch basin larvicide application	220 count

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide with mistblowers	233 acres
Adulticide U.L.V. from trucks	12,928 acres

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 44 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Sup't.

REPORT OF THE OAK GROVE FARM STUDY COMMITTEE

The Study Committee was originally created by vote of the 1985 Annual Town Meeting, and membership appointed by the Moderator during the summer of 1985. The committee requested and received permission from the 1986 Annual Town Meeting the ability to continue the study for a further year, and to report to the Annual Town Meeting in May, 1987.

The committee has continued to meet at least monthly and to conduct further research into the most appropriate use and control of the Oak Grove (Izbicki) farmhouse and land. Our own committee circulated a list of various ideas and suggestions for use of the property and received over two hundred responses; similarly, the Open Space Study Committee circulated another such list and received over five hundred returns containing proposed uses for the Town's lands.

Harold Curran and the farmhouse committee coordinated with the Historical Commission to transfer control of the farmhouse to the Commission, with Town Meeting approval. Mr. Curran also worked to obtain the services of the Vocational High School to do the restoration/renovation work on the building.

Our committee has actively solicited suggestions for proposed uses from all of the other Town boards and committees, and continues to seek input from any and all interested residents regarding the Oak Grove Farm.

The Board of Public Works has been very helpful in cleaning out and maintaining the grounds, and preparing and grooming the soccer field on the land, which has had much use during the past year. Local Eagle Scouts have also been helpful in their interest and willingness to work to improve the property and make it more accessible to Town residents.

We have enlisted the assistance of the Conway School of Landscape Design to help us complete our study to present to the Town Meeting. We have given much study, thought and discussion to the question of how the land shall be governed and administered in the future, and hope to have a well-defined plan to present in our report to Town Meeting.

In closing, we want to thank everyone who has assisted us in trying to clean, improve and make the property more accessible to the Town's residents, and encourage everyone to take a walk through, use and enjoy this beautiful piece of property. It belongs to us all.

Respectfully submitted,
John G. Dugan, Chairman

REPORT OF THE POLICE DEPARTMENT

The year 1986 proved to be a very active time for the Millis Police Department. The new year saw us down five men: three out on injured on duty status, one medical leave of absence and one resignation effective December 31, 1985. I would like to take this opportunity to express my gratitude and appreciation to those who worked extra duty hours to help through this very difficult period to provide a minimum of safe coverage for the town.

We note with regret the retirement of Sergeant Hugh D. Mick and Detective William F. Carlson, and the resignation of Officer Joel Rosenfeld, all after many years of active duty. School Traffic Officer Dorothy Santos resigned and will be missed by all the many children she ably assisted over the years. Before leaving, Dottie, as she was known to all of us, brought pride to the entire community when singled out by Clinton Correspondent Bill Coulter in his column, as typifying all that is good about the profession. We will miss all these former members of our department and wish them much happiness in their future endeavors.

With the loss of personnel comes the addition of new members to our ranks. I am pleased to welcome Officers William A. Carlson, William J. Dwyer, James P. Nagle, Peter J. Opanasets and Scott D. Vaughan; also School Traffic Officers Patricia Shuker and Patricia VanWinkle.

Officer William A. Carlson successfully completed his basic training at the Waltham Police Academy in April. Officers Peter J. Opanasets and Scott D. Vaughan began their training at the Metro West Academy, a new facility of the Massachusetts Criminal Justice Training Council located in Needham, in late October. As Officers William J. Dwyer and James P. Nagle had experience as Permanent Intermittent Officers and met other mandated criteria, they were both granted temporary waivers by the M.C.J.T.C. and are working pending academy training in 1987. This diminishes a great burden that would have been thrust upon the town if we had been required to send all four new appointees to the academy simultaneously.

In the ongoing pursuit of upgrading and enhancing all training, I am pleased to report that each of our full-time officers attended a forty-hour on-the-job training session given at the South Suburban Police Institute in Foxborough. Your chief was fortunate to attend a two-day seminar on civil liability sponsored by the Civil Liability Institute of Massachusetts in conjunction with the Norfolk County District Attorney's Office, and also completed the Suicide Prevention course sponsored by the M.C.J.T.C.

In closing, I would like to thank you, the citizens of Millis, for your overwhelming support and cooperation during a period of changes and development.

Respectfully submitted,

Albert J. Baima
Chief of Police

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works reorganized in early May of 1986 following Spring elections. Mr. Thomas E. Hatch was elected Chairman, Mr. Robert Volpicelli, Jr., Clerk, and Mr. George DeAngelis, Third Member.

The Department of Public Works carried out its usual duties caring for the highway, water, sewer, parks, cemetery, tree, inspect pest control and sanitary landfill divisions. The Department also rendered service to Town departments, boards, committees and contractors, when necessary. Other projects completed by the Department are as follows:

1. In April 1986 the new Interceptor, Force Main and Pump Station were put into service. The old wastewater treatment plant and pump station, located in front of the library, were dismantled. Sections of Main Street, Auburn Road, Exchange and Curve Streets were repaired as part of the sewer project.
2. Installation of a 12" water main (6100 L.F.) and hydrants on Union and Ridge Streets was completed as part of the Department's Water Rehabilitation Project.
3. Sections of Spencer Street, Pleasant Street, Farm Street, Union Street and Ridge Street were repaved as part of water and sewer projects.
4. Leveling courses of hot top were applied to sections of Cedar Street, Farm Street, Myrtle Street and Spencer Street by the Department.
5. The roadways in the old section of Prospect Hill Cemetery were paved this year by Town forces.
6. A one mile section of Main Street (Pleasant Street to Union Street) is being repaved with the aid of Chapter 90 funds. A leveling course of hot top was applied during the Fall of 1986 and said project is to be completed in the Spring of 1987 with an application of permanent overlay.

The Department has been working with the Board of Selectmen relative to preparing a solution to the Town's future disposal of solid waste.

The Board would like to take this opportunity to express our appreciation and gratitude to Superintendent Robert Leslie; Administrative Clerk, Janet Collins; General Foreman, Edward LaCroix; Senior Clerk, Susan McKenney, and the Employees of the Department of Public Works for their constant support and dedication throughout the year. We would also like to thank the Board of Selectmen, Town Accountant, Town Treasurer, other Town boards, departments and committees and especially our families, whose cooperation and help enable us to continue serving the community of Millis.

A special thanks to the Millis Lions Club for their work on the Town park bandstand, to Paul Ouellette for his building of the park bridge at Oak Grove Farm and to Robert R. Braman for his assistance relative to refurbishing/replacement of several historical signs throughout Town. I would like to personally thank Mr. George DeAngelis for all his support and added time he has given to the Board/Department over this past year. To Mrs. Hindy Rosenfeld I would like to extend our best wishes and thanks for all her assistance and support over the years. Since I joined the Board of Public Works in 1983, she has always offered any assistance that we have needed. (Hindy, when this is over in May I'll take you out for a cold one, "Tab" that is. Thanks again...Tom Hatch)

Respectfully submitted,
Thomas E. Hatch, Chairman

REPORT OF THE RECREATION DEPARTMENT

The Millis Recreation Department offered many new and innovative programs in nineteen eighty-six.

Several successful and new programs were Cross-Country Ski, Ballroom Dancing, Track and Field Club, Sticky Fingers, Wilderness Camp, Tap Dancing and Art Adventure. We had performances by Puppets Unlimited featuring "The Wind and the Willows", and by Connie Swan, a local professional storyteller narrating a Christmas story.

Our trips added a spark of excitement each season. In the winter we traveled to the Centrum to see WWF Wrestling and the U. S. Hot Rod Mud Bog Drag Racing Spectacular followed by a spring trip to The Big Apple Circus in Boston. Summer provided a challenging trip for Millis youngsters who were brave enough to ride the Cyclone Roller-coaster at Riverside Amusement Park. The adults of Millis enjoyed wine and cheese before boarding buses for two popular Great Woods trips. The fall trips for 1986 included the "whodunit" comedy "Shear Madness", a M.I.S.L. Pre-Season Indoor Soccer game, an exciting Boston Bruins vs. Montreal Canadiens match and our yearly Boston Pops Christmas Concert.

The Millis Recreation Department sponsored a local Track and Field competition in conjunction with Dover Recreation to offer the youths of both towns the opportunity to qualify for the Hershey National Track and Field Meet. Millis proudly sent 11 youngsters to the Hershey State Competition in Braintree.

The Millis Recreation Department expresses sincere gratitude to the many volunteers who shared their time and talents in our programs. You are invaluable.

A special word of appreciation to the School Department, Board of Selectmen, Department of Public Works, Police Department and Fire Department for their continued cooperation and support.

To the community, remember... "Life. Be In it."

Following are statistics on the programs and participants in 1986.

Programs	Age Level	Participation
WINTER		
Youth Basketball	Grades 4-8	43
Parent and Tot	Ages 2-3	9
Preschool Gym	Ages 4-5	15
Preschool Bowling	Ages 3-5	8
Ski Lessons	Grades 6-12	49
Indoor Soccer	Grades 3-12	52
Fun N' Bowling	Grades 3, 4, 5	18
Fun N' Bowling	Grades K, 1, 2	19
Beginner Ballroom Dance	Adults	41
Co-Ed Volleyball	Adults	12
CPR	Adults	18
Cross Country Ski Lessons	Adults	22
Exercise to Music	Age 15 to Adults	15
Morning Exercise	Adults	12
Intermediate Ballroom Dance	Adults	18
WWF Wrestling	All ages	35
Special Events Day	Preschool to Grade 5	75

SPRING

Self-Defense	Age 16 to adult	5
Exercise to Music (AM)	Adults	24
Exercise to Music (PM)	Adults	46
Adult Golf	Adults	34
Runners Club Clinic	Adults	3
Young Children's Dance	Ages 3-5	28
Soccer	Ages 5-14	152
Beginner Tap Dance	Grades K-3	39
Beginner Ballroom Dance	Adults	27
Intermediate Ballroom Dance	Adults	22
Special Events Day	Preschool to Grade 5	99
Exercise to Music (Extension)	Adults	20

SUMMER

Sticky Fingers	Ages 3-5	38
Movement Exploration	Ages 3-5	15
Arts and Crafts	Grades K-2	16
Art Adventure	Ages 4-5	14
Combination Arts and Crafts	Ages 3-5	17
Youth Tennis	Ages 8-16	85
Youth Golf	Ages 10-18	17
Track and Field Club	Ages 9-14	41
Bowl N' Burger	Grades 3-8	8
Wilderness Camp	School age	18
Adult Tennis	Adults	9
Adult Golf	Adults	37
Beginner Exercise	Adults	8
Summer Workout	Adults	19
Riverside Trip	All ages	44
Great Woods: Joan Baez	All ages	28
Great Woods: Beach Boys	All ages	36
Swim Lessons	Grades 1-12	155
Hershey Track and Field Meet	Open Meet	35

FALL

Special Events Day	Preschool to Grade 5	60
Preschool Movement and Song	Ages 2-3	14
Preschool Exercise and Song	Ages 3-5	8
Preschool Imaginings	Ages 3-5	7
After School Fun	Grades K-2	6
Youth Social Dancing	Grades 6,7,8	28
Babysitting	Grades 6 and up	18
Adult Volleyball	Adults	13
Exercise to Music	Adults	26
Adult Workout	Adults	22
Beginner Ballroom Dance	Adults	24
Shear Madness Trip	Adults	26
MISL Indoor Soccer Trip	All ages	44
Boston Bruins Trip	All ages	36
Boston Pops Trip	All ages	35
Teen Aerobics	Teen-age	9

Storyteller	All ages	50
Good Times Band Dance	Adults	50
Soccer	Ages 5-14	136

Respectfully submitted,
Diane L. Vigue
Director

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I hereby submit my second annual report to members of the School Committee and citizens of Millis for review.

As Superintendent of Schools, I would like to take this opportunity to briefly review the 1985-86 school year.

Four administrative positions changed personnel with the resignations of Mr. Stephen Hinds, Middle School Principal, and Mr. Richard Cass, Director of Pupil Personnel Services, along with the retirement of Mr. Raymond Lanthier, Principal of the Clyde Brown School, and Mr. Francis Murphy, Head Custodian. An extended effort was needed in order to find qualified replacements for these positions. We were indeed fortunate to fill these vacancies with highly competent personnel: Director of Pupil Personnel Services, Mrs. Suzanne Genest comes to us from the Natick Public Schools where she served as Administrator of Special Education Services; Mr. Stanley Strom, Principal of the Middle School, was an Assistant Principal in the North Andover Middle School; Mr. Carl Reed, Director of Buildings and Grounds, served in the private sector in a similar capacity for several years; Mrs. Jane Walker, Assistant to the Elementary Principal, a classroom teacher at the Clyde Brown School for the past eleven years, was appointed to fill that administrative vacancy. She, along with Mr. Thomas Deffley, Principal of the Memorial School, have assumed the joint responsibility of administering our two elementary buildings, grades K-5.

Some long-range goals planned for implementation this fall were not realized due to time constraints, but others are now successfully underway. Two important areas in the latter category are a building needs assessment and K-12 Curriculum Coordinators.

Early in 1986, the School Committee hired the architectural firm of Korslund, Le-Normand & Quann, Inc. to review our three school buildings and recommend several options which might update and insure the safety of our students. A school building committee was formed to meet regularly with the architect for the purpose of reviewing and studying those options. The Building Committee, comprised of two members each from the School Committee, Finance Committee, citizens-at-large and the Superintendent of Schools, has done so, and is prepared to make a recommendation for school renovation and construction at the Annual Town Meeting in May, 1987.

The positions of Curriculum Coordinators are to be filled in the following areas: Math/Science; Social Studies/English; Reading; Audio Visual/Music and Computer Education. These personnel will be expected to complete preliminary plans for their subject area by summer, 1987, with expected implementation in September, 1987. Coordination of a subject curriculum from kindergarten through Grade 12 insures the logical transition between grades, preparing for the necessary review by the student along the way, while allowing for advanced classes for the student who learn at a more rapid rate.

In conclusion, as Superintendent, I am encouraged at the direction in which our schools are headed. The pace has been somewhat reduced as must be expected in a year in which negotiations are undertaken. However, our fine staff has proved both singularly and as a group its professionalism and dedication to the children who attend the Millis Public Schools.

The official high school enrollment as of October 1, 1986, was 320 students, an increase of one over the previous school year. Although this figure remains stable, it is an-

anticipated that there will be additional declines over the next two or three years before they begin to rise and plateau at approximately the current level.

Millis High School and the International Club welcomed three foreign exchange students representing the countries of Japan, Germany, and Spain. Noboru Komachi from Japan is residing with Mr. and Mrs. Stanley Waclawik and family of 45 Pleasant Street, Florian Dobbeck of Germany is living with Mr. and Mrs. Michael Mushnick and family at 68 Pleasant Street, and Ana Boneta Arriola of Spain is making her home with Mr. and Mrs. Bruce Bolio of 4 Alma Road.

The Class of 1986 graduated 74 students in a ceremony held in the school gymnasium due to inclement weather. Several awards and scholarships were presented, a copy of which may be seen further in this publication. Many of the graduates were very successful in pursuing studies beyond high school, with an acceptance rate of 70% to four-year colleges and an additional 10% to two and three year programs.

Another major accomplishment, which resulted on the part of a two-year effort by several members of the community, led to the first night athletic contest to take place under a permanent set of lights at the Frederick J. Welch Memorial Athletic Field. Many thanks to the Chairman, Mr. David Egy, and his Co-Chairman, Mr. Jim Bennett, who led the committee; Mrs. Phyllis Kaplan, who served as Treasurer; Mr. John Congdon, who served as Fund Raising Coordinator and Raffle Chairman; and Athletic Director, Kathy Egy, who served as School Liaison. A very special thank-you to Mr. Ted Maher, who not only served on the committee, but also donated several thousand dollars of time and labor to personally perform the electrical contracting and construction of the poles. Other members of the Committee who gave generously of their time and effort are: Jim Thomas, Lenny Kaplan, Richard Bourgelas, Maryanne Maloney, Evelyn O'Connor, Joan Schulz, Richard Barrett, Janet Dunphy, and Gerry Sisto. Through all their efforts, the football, boys' and girls' soccer, and field hockey teams are now able to play night games.

I would also like to convey my sincere appreciation to all the residents of Millis who generously supported the efforts of the Citizens' Committee for Athletics through their many contributions. As a result of everyone's efforts Millis has probably the finest athletic facility in the league.

On the academic side of things, Millis High School has experienced a resurgence in quality academic offerings with a complement of advanced placement courses, a new computer course in PASCAL, and the reinstitution of a Russian History course.

Last year it was necessary for some of our students to take Advanced Placement Physics at nearby Medfield High School. This year we are offering advanced placement courses in Physics, English, Biology, U. S. History, Calculus, and Chemistry, although this latter course did not get taught due to insufficient subscription.

A new half-year course was developed in PASCAL and offered for the first time. The reason that PASCAL was selected is that it is the language of the Advanced Placement Course. Hopefully this half-year course will be expanded and developed into another advanced placement course.

Russian History, which had been offered a few years ago and hadn't been subscribed to in recent years, received an excellent response from the students and is being taught. Overall, I would say the majority of students are taking a very positive and serious attitude toward their studies.

Another first this year is the establishment of "The Smoke Signal", a school newspaper under the advisorship of Mrs. Rebecca Russ. Although the paper wasn't started until well into the year, two editions had come out prior to Christmas. The paper was extremely well received and the students who are involved are to be complimented on the quality of their coverage and the underlying humor of some of the human interest stories as well as the satirical ones.

The current senior class became, as juniors, the first high school class to be tested statewide in new state assessment testing promulgated as a result of the Chapter 188 Legislation. They were administered in the areas of Reading, Mathematics, and Science. When compared to the state averages, as well as many of the more affluent communities around the state, our students did exceptionally well in the areas of Reading and Science and comparably well in Mathematics. This is a credit to the calibre of students in Millis as well as the quality of instruction they are receiving.

A major study was undertaken this year to examine school starting times in an effort to improve the scheduling of the Middle School-High School programs. Not only would this develop greater efficiency in utilizing staff, but it would also provide additional instructional time for students by adding to the school day and eliminating some of the inevitable conflicts which occur in the high school scheduling. After several meetings among administration and staff, and with the transportation committee, it was decided to hold a public hearing. The community seemed very receptive overall to the rationale and hopefully, if all the details can be worked out, the plan will be implemented in 1987.

Many significant events occurred in the Middle School during the year 1986. Early in March a visitation team came to the school to evaluate the extra curricular program and to observe the school atmosphere in relation to the needs of the early adolescent. They came away impressed with the operation of the school. Many of their recommendations have already been acted on or will be by next year. Quoting from their summary: "The Millis Middle School is a fine example of a dedicated staff working 110% to bring the best of themselves to their students and, thereby, bring forth the best in their pupils. They deserve to have all the cooperation, both financial and ideological, that can be offered."

In June Mr. Stephen Hinds resigned as principal to take up the challenges of being headmaster of a private school. During the two years he was principal, Mr. Hinds made many significant contributions to the Middle School. His administration was characterized by enthusiasm, dedication and sincerity towards students and staff. We wish him well.

In July Mr. Stanley Strom took over the reins of the Middle School. Mr. Strom comes to Millis with a diverse background which includes experience as an Assistant Principal at North Andover Middle School, teaching experience at Concord Middle School, as well as experience as an elementary counselor and a teacher at Hopkinton High School. He regards the middle school as the most challenging yet the most rewarding level of education. The openness, honesty and diversity of students at this age level makes each day more varied and exciting than the last.

In November, the results of the 7th grade state-wide assessment were released. Our students did very well. The results showed that they did as well as those students in larger and more affluent communities. It also confirmed that quality teaching was taking place in the Middle School.

This year Health was introduced to both grades 6 and 7. Students received Health instruction twice per week. A variety of topics are taught including drugs and alcohol.

Hopefully, our students armed with accurate information and better understanding will be better equipped to make more informative decisions about the different pressures which confront them in their lives daily.

The Middle School students, during 1986, participated in and enjoyed many special events. The student council, with Mrs. Sperandio as its advisor, sponsored many dances. Its fund raising activity, magazine subscriptions, was very successful, thanks to the generosity of the community. Grade 8 students spent four days and three nights on a memorable trip to Washington, D. C. We are grateful to Mrs. Clark for her efforts and planning which made the trip so successful. The 7th grade students participated in an overnight on Cape Cod combining a visit to New Bedford Whaling Museum and a whale watch. Mr. Sperandio, along with the entire grade 7 team, planned and chaperoned the trip. Not to be outdone, our 6th grade faculty spent a week at Camp Sargent Environmental Camp with our newly entered 6th grade class. The students gained new insight about themselves and the environment, overcame new challenges and learned how to work together as a team.

Special assemblies took place featuring the storytelling of Jackie Torrence who captivated her Middle School audience. Brian Gillie brought to the Middle School his production of the History of Dance. Thanks to Mr. Terbowich, the Army Band put on a performance in the auditorium which left a lasting impression on all who heard them. Not to be outdone, our own chorus and band gave a seasonal concert which was televised on the local access channel. They were a credit to themselves, the music department and the school.

The staff and students decided to undertake an ambitious project, namely the musical *Annie*. Their efforts were rewarded as the production was a tremendous success playing to a "packed house". Special thanks to Mrs. Shear, Mrs. Dushku, Mr. Miller and Mr. Dodge for the time, effort and energy which they devoted to making the play the success it was.

The School Improvement Committee was very active this year providing the Middle School with excellent cultural programs. In addition the Parent Advisory Council (PAC) met each month and sponsored a successful spaghetti dinner fund raiser. Finally, our thanks to all the parents who volunteered their services and/or supported our programs throughout the year. Your assistance is greatly appreciated.

The Middle School faculty had several new faces this year: Mrs. Patricia Diatelevis, Grade 8 English; Mrs. Elizabeth Works, Grade 6 Social Studies; Mrs. Louise Gibbs, Health; Mrs. Virginia Gilpatrick, Guidance; Mrs. Gayle Kendall, Grade 6 Math; and Mr. Frederick Rutan, Grade 7 Science.

Raymond T. Lanthier retired as principal of the Clyde Brown School in November, 1985. His leadership, concern for children, dedication and hard work will long be remembered. He initiated many new programs and strengthened others. One of his projects that stands out is the volunteer library program. This has involved many parents who staff the library and all the children who have enjoyed reading from its books.

A new law, Chapter 188, was passed by the Massachusetts Legislature; it is also known as the Educational Reform Law. Among its many provisions was the creation of School Improvement Councils for each school throughout the Commonwealth composed of teachers, parents and community representatives. Through the efforts of the Clyde Brown and Memorial School councils many interesting cultural programs were brought into the

schools. In addition, audio-visual equipment to benefit all the youngsters was purchased with these funds. We are very grateful to the members of the School Improvement Councils for their efforts to bring quality programs into the elementary schools.

The Parent Advisory Council representing both elementary schools continued to play an important function in the life of the students and staff. Members of the council staff the libraries in both schools, conduct the Book Fairs, run various fund raising activities, and act as a sounding board for the principal. We are also grateful to this group, and especially to Mrs. Karen Verch, Mrs. Joan Hernon and Mrs. Patricia Hart, for their care and efforts in running the library programs of the schools.

The testing in the basic skills was incorporated into the new provisions of Chapter 188 under two programs. The first was the continuation of the annual testing of reading, writing and mathematics for third grade students. This segment of the testing was administered in October, 1985 and is designed to discover weaknesses individual students may have in these areas. The tests were designed and corrected by the Department of Education. The second part of the testing is known as the assessment tests. These are administered every other year and are designed to measure student growth in various areas of the elementary curriculum for our third graders. Assessment testing was completed in March, 1985 in the areas of reading, mathematics and science. The results, published in November, 1986, indicated our third graders scored above the state norms in each of the three subjects. They also indicated areas of relative weakness in our curriculum which are being addressed by the elementary school staff.

The elementary school pupils enjoyed other enrichment activities including field trips for each class, many of which were free of charge or subsidized by private companies, the Massachusetts Audubon Society and other non-profit organizations. There is an enrichment program for children in both schools.

The children also participated in many programs including the second grade musical, the Memorial School Talent Show, fifth grade exchange concert, Tree Planting ceremony, Memorial Day programs, the second and fifth grade chorus holidays concerts for the residents of Kennedy Terrace and Willowbrook Nursing Home, and the very popular Picnic in the Park.

Our fourth and fifth graders did very well in the New England Mathematics League contest and our artists under Mrs. Mary Shute's direction had their art work displayed at the Regional Office of the State Department of Education in West Boylston.

Our youngsters remembered handicapped and children with illnesses by raising \$425 for Children's Hospital, and over \$1900 for the Multiple Sclerosis Society by participating in a Read-A-Thon.

In a program sponsored by many town agencies and clubs and featuring a robot, the children of both saw a program centering on drugs, alcohol and peer pressure for the Memorial School students and another emphasizing safety for the Clyde Brown youngsters. The drug program supplemented the classroom curriculum and one presented annually to the fifth grade students by Chief Albert Baima.

In other academic areas the Memorial and Clyde Brown School serve a student population of 542 pupils in grades kindergarten through five. It was decided to form a separate class of Millis students who have specific learning disabilities and house them in the

Memorial School. One advantage to this arrangement is that the youngsters will be attending school in the same town in which they reside.

A new math program was adopted in September, 1986 in grades kindergarten through five, and science texts were purchased for grades one and two to complete a 1-5 revision of the science textbook program. Curriculum revisions are being studied for text replacement in spelling and music in both schools to help insure a consistent approach to each subject.

Mrs. Jane Walker joined the administrative staff as the Assistant to the Elementary School Principal. Mrs. Walker's leadership has helped to bring the elementary schools closer together and has helped to make the day-to-day running of the schools smoother.

The results of the achievement tests given to all pupils in grades one through five continue to show that our students are performing well above national norms in all subject areas. For this we are appreciative of the continuing efforts of the staff and the support and encouragement of the parents.

This year the Pupil Personnel Services Department developed and successfully implemented several peer support programs.

A Little Brother Little Sister program was adopted which linked up high school students with elementary students in a very positive and supportive manner. High school students spent time with the elementary students and developed positive relationships through such activities as sports, hobbies, and school work. It was a positive learning experience for not only the elementary student but the high school one as well. It provided the younger children with a positive role model.

A Millis chapter of the Students Against Drunk Driving was established. Many high school students assisted in presenting programs for the school in regards to drinking and driving especially during graduation and senior class activities.

A High School Peer Leadership Program was established which tapped the leadership skills of many of the high school students. Its purpose was to direct and utilize these student skills in order to develop and find solutions to the many problems facing high school students in Millis.

Millis Public Schools developed and established for the first time a Special Needs Self-Contained Classroom Program at the elementary level. Keeping with the intent of the Massachusetts Special Education Law Chapter 766, six handicapped students returned from out of district placements to a highly individualized classroom program which was designed to meet their individual educational needs in a less restrictive setting. Not only was it a more cost-effective manner in which to provide these students the services they needed, it was a very positive and progressive manner in which they would be educated as much as possible within the regular mainstream of the school and their community.

Due to the resignation of the previous Director of Pupil Personnel Services last year, a new Director was hired in July. The Pupil Personnel Department welcomed several new staff members as well as a new Director. Due to budget constraints, the school psychologist positions were reduced to one K-12 position. A new school psychologist was hired to fill that position. A new high school guidance counselor, a new school nurse, a new resource room teacher, and a new special education classroom teacher were welcomed this year.

In 1986, the high school guidance department expanded and enhanced the curriculum taught by the guidance counselors in the classroom. For each grade level pertinent topics are presented in lesson or group discussion format. The guidance courses are scheduled quarterly by grade level.

This year, Millis Public Schools hosted a Higher Education Night Program in October. It was an opportunity for high school students and their parents to speak with and gather information from approximately 200 representatives of training schools, 2 year colleges, 4 year colleges, and armed services, and financial aid institutions. It was a great success evidenced by the large attendance of students and parents from Millis and other neighboring towns.

The high school guidance services have been enhanced this year with the introduction of a computerized college search program that has enabled high school students to seek out information on not only colleges and training institutions but careers. Students are able to use the program during their studies and free time. It has simplified the process of searching for the right higher education program to meet each student's career goals.

A Special Parents Advisory Council was established this year to provide support to the Pupil Personnel Services Department staff and the students to whom they provide services.

The planning of a town-wide screening of all 3 and 4-year old children to be conducted in January, 1987 was completed. According to Massachusetts Special Education Law Chapter 766, each school system is to offer to the parents of all 3 and 4 year old children the opportunity to have their child screened for any potential educational, speech and language, and/or vision and hearing concerns. This screening is in addition to the mandated Kindergarten Screening Program conducted each Spring for children entering Kindergarten the following September.

The Health Services Department provides services to the school community in a variety of ways. In addition to providing primary care to sick or injured students and staff, they perform health assessments, develop with physicians, parents, and other school staff medical treatment programs for individual students, and actively participate in the screening of, the evaluation of, and the provision of services with special needs. Each staff member serves as a resource for students, teachers, and parents in matters of medical and health concerns.

In compliance with the Massachusetts State Law, the Health Services staff ensures that all students are properly immunized and student health records are current. Annual screening programs for vision, hearing and detection of scoliosis are conducted. Physical examinations are required for students in third, seventh, and eleventh grades as well as for participation in interscholastic sports. The staff ensures that they are completed and provides the opportunity for students to be examined by the school physician.

The Parent Advisory Councils in each of the elementary schools continue to be a support for the staff and students and help in very tangible ways. Members of the P.A.C. volunteer as aides in and out of the classrooms, assist with computer instruction, help with fund raisers, notably the book fairs, tee shirt and sweatshirt sales, bake sales, and teach enrichment courses to our youngsters. In addition, a second play area at the Clyde Brown School was completed. The equipment included swings and a jungle gym. We are grateful for their interest and assistance.

Thanks are extended to administrators: Mr. Paul Brunelle, High School Principal; Mr. Stanley Strom, Middle School Principal; Mr. Thomas Deffley, Elementary School Principal; Mrs. Suzanne Genest, Director of Pupil Personnel Services, and Mrs. Jane Walker, Assistant to the Elementary Principal, for their assistance to me in preparing the information contained in this report. Best wishes are also extended to Mr. Francis Murphy, Head Custodian, for his dedication and commitment during his seventeen years of service in the Millis Public Schools.

We are pleased to report that our food service program, under the outstanding management of Mrs. Marge Feccia, continues to provide our students appealing and nutritious lunches each day. We extend our sincere appreciation to the entire food service staff: Claire Clewes, Diane Barras, Marie Collins, Mary Costa, Norma Graham, Rosalie Keller, Anne Kelly, Carol Levreault, Patricia Lewis, Judith Malouf, Jean Manning, Katina Mouyas, Judith O'Neil, Gwen Ramsey, Peggy Rose, who ably help to prepare and serve lunches for the students who attend our schools.

We wish to extend best wishes to Mrs. Betty Bicknell, Head Cashier Bookkeeper, and Mrs. Cruey LaRocca, Cook Manager, Clyde Brown School, for their years of dedicated efforts in the Food Service Program. We wish each many years of good health and thanks for their outstanding contribution to the students and to the community.

Acknowledgement and appreciation are extended to our school secretaries: Celeste Hankey at the High School, Margaret Callahan in the Pupil Personnel Services Department, Norma Wakely in the Guidance Department, Patricia Gilmartin and Margaret Benison at the Middle School, Mary Shea at the Memorial School and Janet Walsh at the Clyde Brown School, for their devoted years, and for the efficient manner in which all school office functions are conducted—thanks for a “job well done” in your respective duties.

We again take this opportunity to thank Mrs. Linda Cousland, Director of Transportation, for the cooperation and efficient manner in which the school transportation program is being operated. A special thanks also to the bus drivers for their kind and understanding relationships with the children.

Finally, we wish to thank, in a special way, the many civic organizations, service clubs, as well as other municipal departments for their assistance and cooperation to me as Superintendent of Schools. We would like to express our sincere gratitude to the various school-related organizations, such as Superintendent Staff Advisory Committees, and Parent Advisory Committees who have played a significant role in developing many of the programs offered to our students district-wide. Our thanks to members of the Millis School Committee who continue to give unstintingly of themselves and their time in those many areas regarding educational policy, and all other matters too numerous to mention, yet important enough to require discussion and often difficult decisions.

A “special appreciation” is extended to several important people who work in the Administration Offices: Mrs. Bette Oschman, Executive Secretary to the Superintendent, whose years of experience and knowledge regarding school matters has been most helpful to me; Mrs. Dorothy Saccoman, and Mrs. Darcy Beach, Bookkeeper/Clerk, who have handled all financial matters related to the school operating budget in an efficient, organized and professional manner. Without the efforts, dedication and loyalty of those fine employees, many of the school functions could not operate as efficiently as they have this year.

I extend a sincere thank-you to the citizens of Millis for their cooperation, support and understanding provided me as Superintendent of Schools. We are most fortunate to make available sound, educational programs for our students throughout the various grade levels, and our primary mission continues to be excellence in education for all the children who attend the Millis Public Schools.

Respectfully submitted,
Vahan J. Khachadorian
Superintendent of Schools

Betty Bicknell

Mrs. Betty Bicknell has served in the Food Services Department of the schools as a cashier bookkeeper for twenty-four years. Her retirement was effective November 30, 1986. Her co-workers, staff, students and members of the School Committee wish her a happy, healthy retirement.

MILLIS PUBLIC SCHOOLS CALENDAR

1986-1987

1986

Registration, new students	August 27 & 28
Orientation, new teachers	August 29
Labor Day	September 1

Schools reopen	April 27
Memorial Day	May 25
Class Day	June 4
Graduation	June 4
Tentative closing date	June 24

NO SCHOOL SIGNAL

The fire whistle will be sounded two-two, three times, at 6:45 a.m. and 7:00 a.m. which means no school, all schools, all day.

The same signal (2-2) at 11:00 a.m. means cancellation of afternoon kindergarten classes. Radio stations WBZ Boston, WKON Framingham, WEEI Boston, WJCC Norfolk, plus WCVB-TV-5 television station will carry these announcements.

A delayed start of one hour during inclement weather will be announced on the radio and television stations listed above. No whistle will be sounded for this one hour delay.

Albert's Bakery - <i>Certain bread items for schools</i>	

Mrs. Levy

Mrs. Levy began as a teacher in Millis in 1954. She took a few years off to raise her family and returned again in 1966 and served until her retirement in June, 1986. She taught as an elementary teacher and later as an Elementary Reading Teacher. Much happiness and good health are wished for Mrs. Levy from the staff, students and School Committee.

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL ANNUAL REPORT

In July 1986, Charles Mucciarone was appointed a representative from the Town of Franklin to the Tri-County Regional School District Committee. Mr. Mucciarone succeeded Carole Russell who had served the Town and the District well for a period of four years.

The elected officers are: John Hanley (Seekonk), Chairman, Arthur Green (Sherborn), Vice-Chairman, and John Hurley (Medway), Secretary. Robert Rappa (Franklin) was appointed Chairman of the Budget Sub-Committee and Mr. Hurley was appointed Chairman of the Personnel/Policy Sub-Committee. Albert Chouinard (Medfield) will continue to lead the Collective Bargaining Sub-Committee.

Mr. Hurley, long active in the Massachusetts Association of School Committees, was reelected to a second term as Chairman of Division VIII, M.A.S.C. Division VIII is made up of committee members of vocational schools statewide.

The School Committee conducts its regularly scheduled meetings on the second and fourth Wednesday of each month at 8:00 P.M. in the Committee Meeting Room at the school. From the beginning of November until the end of February, the Committee meets on the first and third Wednesdays specifically for the purpose of budget development. Sub-committee meetings are scheduled as needed.

Graduation

On June 1, 210 students were graduated in an impressive ceremony. Chairman Hanley delivered the Commencement Address and music was provided by the Franklin High School Band, conducted by Band Director Eric Rosen.

Awards and scholarships in the total amount of \$23,000 were presented to deserving seniors. Class Valedictorian, Daniel Lallier, was awarded \$1,000 as a Commonwealth Scholar as well as a full scholarship to Wentworth Institute. Daniel is a resident of Franklin and will pursue Electrical Engineering at Wentworth.

Millis residents who were the recipients of awards and scholarships are Deborah Blake, Michael Lawton, and Debra Ellis. The Millis Art Association provided one of the scholarships. We appreciate their support and look forward to a long and lasting relationship.

Guidance

In September, one hundred and seventy-six ninth grade students enrolled at Tri-County. Of that number nine were Millis residents. At this time there are forty-one Millis residents in attendance with a total enrollment of seven hundred and eighty-three. Millis's rate of participation has been established at 5.23%.

Throughout the course of the year the Guidance Department administered the Preliminary Scholastic Aptitude Tests, the SRA Achievement Tests, the Armed Services Vocational Aptitude Battery and the Massachusetts Assessment Tests.

Our immediate follow-up of the June graduates indicates that 74% of them entered the workforce, 18% went on to further higher education and 6% entered the military.

As technology continues to develop, the importance of challenging the students in the technical courses becomes increasingly evident. Therefore, the seniors in Electronics have been introduced to the Advanced Placement course in Pascal with the expectation that they will be adequately prepared to deal with the sophisticated nature of the material.

The emphasis and thrust of both technical and vocational program have been to provide our students with the competitive edge in the work force. The Drafting and Graphic Arts curricula, along with Electronics, have utilized more complicated software to achieve that goal. Building upon the basic introduction last year to the CAD program and the Modular Composition Systems, students have progressed rapidly to programming those computers with an improved degree of efficiency.

Service Occupations

Since the opening of Dean Cooperative Bank last year, students in the Distributive education program who have rotated through it have been offered part-time and full-time positions with the bank's main office. This is perhaps one of the best examples of goal achievements for Tri-County staff.

Rainbow Room renovations are continuing this year and it is expected that the work will be completed by Spring. Natural oak wood paneling and track lighting have softened and enhanced the popular dining room. The work has been done by Carpentry and Electrical students under the supervision of their instructors.

Patients at Medfield State Hospital are enjoying the creative artistry of students in the Commercial Art program. The plain dormitory walls were converted into pleasant, colorful murals last year. The project was completed in two months, with some patients enthusiastically offering suggestions and others just amazed at the skill of the students.

The toddler program in Child Care continued to be extremely popular with mothers in the community. Sharing ideas and problems while their little children were involved in play with each other became an anticipated pleasure on Monday mornings. Because of its popularity, a waiting list for the 1987-88 school year has already been established.

The staff and students in the service occupations at Tri-County wish to thank the members of this community for their continued support.

Vocational Programs

Grant funds have provided several of our shops with the latest state-of-the-art test/training equipment. The Air Conditioning and Refrigeration Shop has received and put into use a Heat Pump Demonstrator & Controls Trainer, Gas Controls Demonstrator, 3-Phase Compressor Controls Demonstrator, and a Refrigeration System Trainer. The Machine Shop is about to receive a Spectra Light C.N.C. Training System that will simulate for training instruction actual computer numerical control machining operations. Metal Trades Shop has received and is offering up-to-date instructional methods and proper use of their new Plasma Arc Cutting & Welding equipment. The Auto Repair Shop has received a Sun Electric Diagnostic Engine Tester. This "computerized interrogator", as it is called, has the capabilities of testing the complicated electronic/computer controlled engines of today. Our upper class Auto Repair trainees are now receiving this instruction.

Our outside work program is now engaged in completely renovating the Oak Grove Farmhouse for the Town of Millis. This farmhouse has been certified and registered by the Historical Society. The project will engage our Masonry students to repair and reconstruct three chimneys. Our Carpentry pupils will install a new roof and repair the entire structure (all windows and doors included) inside and outside. A new three-room apartment will also be included in this project. New electric service, new wiring, receptacles and fixtures will be installed by our Electrical students. Our Plumbing trainees intend to install a new heating system and provide all plumbing and drainage needs throughout the entire house.

Funds have been appropriated by the Town of Medway and we will refurbish/upgrade Station II for the Medway Fire Department. Our Masonry, Carpentry, Electrical and Plumbing students will provide all of the work skills necessary to accomplish this huge project. Work to be done on the Fire Station will include a new gas heating system, new electrical system (complete), installation of a modern kitchen, three showers, and a twelve-foot extension addition to the building with change over and installation of modern overhead doors. Brick facing for the entire structure will enhance the building, giving it a new modern appearance.

Athletic Department

Once again the Tri-County Athletic Department offered the students of Tri-County the opportunity to participate in athletics on the varsity and junior varsity level. Although no state or league titles were won, the athletes of Tri-County distinguished themselves by **determination and pride.**

The Boys Basketball Team held a benefit basketball game honoring the heroes who died in the space shuttle disaster. A large sum of money was raised and sent to the **Space Shuttle Family Relief Fund in Washington.**

The Girls Basketball Team participated in the Cape Cod Basketball Tournament and finished in a runner-up position. Nisa Erickson was named to the **Mayflower League Allstar Team and the Middlesex News Allstar Team.**

Ron Hodgkins displayed some terrific speed and agility in the high and low hurdles and was a force in the 100 dash for the **Cougars Track & Field Team.**

The Baseball Team was led by Senior Captain Ed Recchia who also was named to the **Mayflower League Allstar Team.**

The Football, Soccer, Volleyball and Cross Country Teams all participated in athletic action this Fall. Several Cougars were placed on their respective Allstar Teams: Nisa Erickson, Cam McLaughlin, in Volleyball, Dave Yurek, Randy Tremblay in Soccer.

A lot of enthusiasm and interest is being generated by the student body over the upcoming hockey and baseball seasons. Hopefully the Cougars will soon bring home a **championship banner!**

Evening School

The first semester of the 1986-87 school year Tri-County Evening School offered twenty-five courses. These courses included six which lead to licenses needed to practice

a trade. We also offered the following new courses to our program: Cartooning, Homeowners Maintenance, Basic Computer, Computer-aided Drafting CAD/CAM, Baking & Cake Decorating, and Graduate Equivalency Diploma.

We currently have a student population of 391, which is the highest enrollment at evening school since Tri-County opened its doors ten years ago. During the month of December we will be offering mini-courses which will run for a three-week period.

Summary

As we move into 1987 and continue to provide the best in educational needs to our students, we thank the district residents for their support and cooperation. We intend to maintain in the future these high educational standards that have earned us that support in the past.

Respectfully submitted,

John D. Hanley, Chairman

Robert J. McDonough, Millis

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

I herewith submit my report for 1986. Total sealing fees collected for the year were \$406.00.

Respectfully submitted,

Paul L. Howie

Sealer of Weights and Measures

REPORT OF THE TAX COLLECTOR

In my third year as Tax Collector, I wish to express my thanks to all who have assisted me. I am confident that the hours that the tax office is available to the taxpayers have been helpful to many.

The following is the report of your Tax Collector for the fiscal year ending June 30, 1986:

Taxes Collected:

Taxes:

Current Year:

Real Estate	\$3,822,883.17
Personal Property	123,463.09

Prior Years:

Real Estate	205,156.71
Personal Property	<u>2,655.84</u>

\$4,154,158.81

Special Assessments:

Motor Vehicle Excise:

Current Year	\$ 250,035.68
Prior Years	<u>140,378.27</u>

390,413.95

\$4,544,572.76

Interest payments on deferred taxes

41,852.68

Tax Balances Outstanding July 1, 1986:

Accounts Receivable:

Real Estate Taxes:

1984 and prior	\$ 39,324.
1985	34,524.
1986	<u>191,227.</u>

\$265,075

Personal Property Taxes:

1984 and prior	11,356.
1985	4,931.
1986	<u>5,831.</u>

\$ 22,118.

Motor Vehicle Excise Taxes:

1984 and prior	48,861
1985	11,925
1986	<u>57,125</u>

\$117,911.

\$405,104.

The majority of the taxpayers of Millis are to be commended for their promptness in meeting the tax deadlines as the Town of Millis benefits greatly.

Respectfully submitted,

Rose S. Robinson
Tax Collector

REPORT OF THE TREASURER

The Following is the Treasurer's Report for the year ending December 31, 1986:

Balance of Library Trust Funds		\$ 31,436.15
Dr. & Mrs. Charles Wesley Emerson Fund	\$ 1,183.09
